Jaybee Wendell Charles NeSmith, 2021-12-05 Jaybee is a non-fiction romance book about a guy who wants a girl who is unobtainable to him. In it, we explore the difference between right and wrong and how we can apply that wisdom to modern-day society. For what has been told to us is not the truth of the situation. If we continue to believe lies, then we will live the results of that decision. Jaybee is an inspirational book about seizing the day in preparation for your soul mate. For we are only half of this equation called love.

The Masnavi, Book Three Jalal al-Din Rumi, 2013-11-14 Your soul each moment struggles hard with death. Think of your faith as though it's your last breath. Your life is like a purse and night and day are counters of gold coins you've put away. Rumi is the greatest mystic poet to have written in Persian and the Masnavi is his masterpiece. Divided into six books and consisting of some 26,000 verses, the poem was designed to convey a message of divine love and unity to the disciples of Rumi's Sufi order known today as the Whirling Dervishes. Like the earlier books, Book Three interweaves amusing stories with homilies to instruct pupils in mystical knowledge. It has a special focus on epistemology illustrated with narratives that involve the consumption of food. This is the first ever verse translation of Book Three of the Masnavi. It follows the original by presenting Rumi's most mature mystical teachings in simple and attractive rhyming couplets.
