Fraser,2020-07-21 As bearers of the divine image all of us are storytellers and artists However few people today believe in truth that is not empirically knowable or verifiable the sort of truth often trafficked through direct forms of communication Drawing on the works of S ren Kierkegaard Benson P Fraser challenges this penchant for direct forms of knowledge by introducing the indirect approach which he argues conveys more than mere knowledge but the capability to live out what one takes to be true Dr Fraser suggests that stories aimed at the heart are powerful instruments for personal and social change because they are not focused directly on the individual listener rather they give the individual room or distance to reconsider old meanings or ways of understanding Indirect communication fosters human transformation by awaking an individual to attend to images or words that carry deep symbolic force and that modify or replace one s present ways of knowing and ultimately make one capable of embodying what he or she believes Through an examination of the indirect approach in Kierkegaard Jesus C S Lewis and Flannery O Connor Fraser makes a strong case for the recovery of indirect strategies for communicating truth in our time *Gangster Prayer* Autumn Miles,2019-07-16 Change your life and become an inspiring passionate praying warrior who proclaims God s Word with this refreshingly honest guide to strengthening your faith If you want positive results from prayer you first need to pray But so many people who say they believe in the power of prayer actually pray very little or not at all It s time to get serious about prayer Autumn Miles says that we must stop being prayer wimps and instead be transformed into prayer gangsters people who are passionate about their faith and loyalty to God Autumn believes that God wants to give us so much more than what we ve been settling for It s time our prayer life which has been mediocre at best becomes something that is Fervent intentional and highly expectant *Gangster Prayer* won t teach you how to pray Instead it will help reveal the heart behind a believing prayer and put the focus back on who we are praying to instead of on what we are praying for With a changed perspective and objective we can finally see the results from prayer we ve been longing for not just answers but a changed life **Today's Moment of Truth** Lee Strobel,Mark Mittelberg,2016-07-12 Why do you believe what you believe How can you know your faith is credible Many Christians today struggle to answer these questions Though you may know what you believe the why and how behind the thought can be complex confusing and even mysterious In *Today s Moment of Truth* bestselling author Lee Strobel articulates in 180 easy to read devotions the reasons why Christians believe what they believe Combining his expertise in apologetics with his journalistic approach to parsing out the details this devotional will leave you deeply encouraged and well informed Topics range from scientific discoveries to theological explanations and each devotion is followed by a brief reflection and prayer for meditation The time has come to walk confidently in your faith *Today s Moment of Truth* will be an

**The Sadness of Christ** Saint Thomas More,1993 The Sadness of Christ was the last book that St Thomas More wrote in the Tower of London before he was executed for standing firm in his Catholic faith In it he explores the Gospel passages that depict the agony of Our Lord in the Garden of Gethsemane He depicts Christ as a model of virtue in the face of suffering and persecution And along the way he includes valuable and eternally relevant reflections on prayer courage friendship statesmanship and more Here is an excellent resource for Lent or anytime      **Christ In Our Midst** Clairann

Nicklin,2018-04-16 This book was written to help me understand what the fruits and the gifts of the Holy Spirit are and what they were supposed to mean to me and how to use them in my life The more that I discovered and shared with others the more that I understood that I was to share this knowledge with all who have this same hunger The fruits of the Holy Spirit given to us as a grace from God in our baptism are what molds us into the image and likeness of God Genesis 1 26 The fruits are the personality of Jesus when He lived on earth Jesus gives us the example with His very life It is important for us to be fruitful and multiply physically for life to carry on but it is spiritual fruitfulness that will change the world We each have an intricate role to fill whether single married laity religious man woman child adult God created each of us for a specific purpose And He gives us the tools to do our work They are the gifts of the Holy Spirit that are listed in Isaiah 11 2 3 The most known charismatic gifts are listed in 1 Corinthians chapters 12 14 but this is not all there is To each one is given a manifestation of the spirit for the common good 1 Corinthians 12 7 When we use a charism to help another person our Isaiah gifts come forward within us and as that happens the fruits of the Holy Spirit pour out of us as a grace from God that is how we share the love of God with another God doesn't make cookie cutter Christians He tailor makes each individual for a special ministry to help our Church grow Can you believe it God wants us to fulfill a portion of His plan designed to bring all people to eternity with Him Writing this book has helped me understand the simplicity of how the fruits gifts and charisms work together to build up the kingdom of God
