The Zombie's Rise Lopez Joe Lewis,2025-01-16 The Zombie s Rise plunges readers into a post apocalyptic world where the shambling dead are merely pawns in a terrifying cosmic game and the key to survival lies not in firepower but in wit Sergeant Elias Thorne hardened by countless battles against the undead in the crumbling ruins of Old Grimsborough faces a threat far more insidious than the ravenous hordes A malevolent Demon s Influence whispers promises of power and oblivion stemming from Azazel a long banished entity stirring in its slumber capable of eroding hope and twisting minds Yet amidst the pervasive dread a new kind of hero emerges Stanhope a comedian whose stage is now a ravaged world and whose insights prove more potent than any weapon While others cling to conventional combat Stanhope unveils a revolutionary strategy using the absurd logic of jokes and the predictability of zombie behavior to turn the tide His seemingly simple question Why are zombies so bad at hide and seek transforms into a profound lesson in anticipating their movements and exploiting their weaknesses The Zombie s Rise is a gripping darkly humorous tale that redefines the apocalypse blending supernatural horror with ingenious strategy and the power of human ingenuity It s a testament to finding light in the darkest corners revealing that sometimes the most brilliant solutions come from the most unexpected minds leading humanity towards a surprising resilient future *Painting Beauty with the Ashes* Isaiah Barber,2016-06 In life we ll go through suffering and sorrow We did not choose to be born and thus we re tossed into this world I am certain there is such a thing as justice However justice in the hands of imperfect beings is not just We made this world what it is and we as people do all we could which is our utmost best to do right Unfortunately doing right is usually far from our grasp Pain comes like a thief in night taking away our innocence The world spins out of control people pitted against each other and those whose hearts are soft and gentle they suffer most of all The anguish and misery soaks our heart and sinks into our veins We become troubled burdened beyond belief and feel we are to blame To be Continued
