H.,1880 **What the Bible Says About...** Scott Dalton Myers,2024-02-12 The Bible God's inspired unerring and infallible Word is truly His instruction manual for life and a moral compass for us all to live by It tells us what is good what is bad what is right and what is wrong Unfortunately many people believe that the Bible is no longer relevant today and was only applicable in biblical times The Bible itself tells us quite the opposite The issues and problems we face today are essentially the same as those faced by man in biblical times Human nature has not changed and God has not changed Only the times have changed The Bible has plenty to say about the issues people encounter every day from the beginning of life to the end of life I have addressed many of these in this book The Evidence of God's Existence Who Was and Is Jesus Being Saved Forgiveness Trials and Tribulations What Happens When You Die Families and Fathers Humility Worrying Depression The Environment and Nature Racism Abortion Homosexuality Adultery Transgenderism Alcohol Drugs and Addiction The Death Penalty The Right to Bear Arms Government Leadership Man's Laws and God's Laws Suicide Money and the Rich Natural Disasters Satan Demons and the Supernatural Creation the Biblical Timeline and the Age of the Universe and others People today are pretty much the same as people were in biblical times Basic human nature and the human condition being born into sin have not changed We face the same challenges the same temptations and the same trials and tribulations as the early Christians did The Bible contains advice and guidance on every possible issue or situation we face if we only look to it for that guidance and direction and pray
