suggestions for the intended readership principally senior staff heads of department and staff development professionals

EBOOK: Departmental Leadership in Higher Education Peter Knight, Paul Trowler, 2001-04-16 This book is primarily aimed at those who have or will have a role in leading departments or teams in higher education institutions It examines the ways in which mainstream leadership thinking does and does not apply to departments and teams in HEIs and suggests that departmental leadership is critical to institutional well being A series of substantive chapters explores assessment learning and teaching research and scholarship administration and continuing professional development and the final chapter discusses the ways in which individuals learn how to lead The book offers a way of looking at the practice of leading rather than presenting a selection of tips or tools for leadership but is studded with fascinating views from departmental leaders and extensive practical advice Leaders Who Lust Barbara Kellerman, Todd L. Pittinsky, 2020-10-29 Explores the all important link between leadership and lust look at leaders with ravenous hungers and limitless passions
