is the study of bond forming and bond breaking reactions between people and the structures they form People often speak of
having either good or bad chemistry together whereby according to consensus the phenomenon of love is a chemical reaction
The new science of human chemistry is the study of these reactions Historically human chemistry was founded with the 1809
publication of the classic novella Elective Affinities by German polymath Johann von Goethe a chemical treatise on the origin
of love Goethe based his human chemistry on Swedish chemist Torbern Bergman s 1775 chemistry textbook A Dissertation
on Elective Attractions which itself was founded on Isaac Newton s 1687 supposition that the cause of chemical phenomena
may all depend upon certain forces by which the particles of bodies by some causes hitherto unknown are either mutually
impelled towards each other and cohere in regular figures or are repelled and recede from one another which thus defines

Foretal,2022 How should we fix digital technologies to support democracy instead of undermining it In *Designing for Democracy* Jennifer Foretal argues that accurately evaluating the democratic potential of digital spaces means studying how the built environment a primary component of our modern public square structures our activity shapes our attitudes and supports the kinds of relationships and behaviors democracy requires While many scholars and practitioners are attentive to the role of design in shaping behavior they have yet to fully engage with the question of what structures are required to support democratic communities and how to build them Foretal closes this gap by providing a new theory of democratic space Drawing from a wide range of disciplines including architecture psychology and the history of political thought she argues that democratic spaces must be designed with three environmental characteristics boundaries durability and flexibility that taken together afford users the ability to engage in fundamental civic practices Through extended analyses of Facebook Twitter and Reddit Foretal shows precisely how well these digital platforms meet the criteria for democratic spaces or whether they do so at all The result is a more nuanced analysis of the democratic communities that form or fail to emerge in these spaces as well as more concrete suggestions for how to improve them In connecting the built environment digital technologies and democratic theory *Designing for Democracy* provides blueprints for democracy in a digital age

The Nazarene Paul Sides, 2017-02 Welcome to my book The Nazarene May Yahuah give us all eyes to see the Truth the ears to hear what the stars proclaim day after day night after night and the mind to overcome 2 000 years of the Lying Pen of the Scribes Today we are faced with the traditions doctrines passed down generation after generation that are nothing but lies false gods and things of no profit In this book I am going to overcome these lies I am going to show the proper meaning and intent of Scripture by correcting the mistranslations and demonstrate the meaning in context I will portray The Nazarene in proper context of The Heavenly Scroll within the proper relationship to his Father and lay out his life as a human being I will show that Yahusha came to show us The Way whereby we all can achieve the Fullness of Deity in our bodies Fulfill The Law and defeat death That Way is Mikveh Circumcision and Offering on Passover While these Hebrew Roots teachers claim to have come out of Babylon they remain knee deep in it These teachers are self appointed and remain Hellenized They all have denied The Creator s Witness of Yahusha written in the stars at creation called The Heavenly Scroll Instead of teaching the Truth that Yahusha was given Glory with Yahuah at Creation written in The Heavenly Scroll where The Branch is foretold as a Lamb that would be slaughtered they teach us that Yahusha pre existed and was co creator These men who claim to understand the Scriptures have denied the very source of inspiration of all the Prophets as they all to a man were Witnessing the coming of the Branch Orion in The Heavenly Scroll We have twisted the Scriptures to serve our own blasphemous purposes to tickle the ears of the people who want a demi god in the image of all pagan religions Much like when the Israelites rejected Yahuah as their King and demanded a human King like all the pagan nations We have adopted the way of the pagans in the most fundamental pagan doctrine of all Incarnation Yahusha the Nazarene was rejected 2 000 years ago betrayed by everyone he knew beaten to the edge of death and then nailed to a tree He has suffered no less over the past 2 000 years as we have falsely accused Yahusha the Nazarene of being God in the flesh and used his image to idolize a man who died as God in our hearts In Yahusha s name we are taught to blaspheme our Creator deny the Set Apart Ruach

and commit the unpardonable sin We have created in our own minds an image of a demi god we say was Yahuah in the flesh making Yahuah out to be a liar forcing the Creator to be conformed to our own human image instead being conformed to His Divine Image and we deny The Creator s Yahuah s immortality teaching that He came to Earth as a man and died that is a pagan myth originating in Babylon Scripture openly declares that Yahusha is NOT Yahuah who came in the flesh I will explain exactly what according to the flesh means in this book and prove Yahuah would not could not ever come in the flesh Instead of Yahusha we are taught Yahuah came in the flesh which is The Spirit of the False Messiah We have twisted the Scriptures to serve our own blasphemous purposes to tickle the ears of the people who want a demi god in the image of all pagan religions Much like when the Israelites rejected Yahuah as their King and demanded a human King like all the pagan nations We have adopted the way of the pagans in the most fundamental pagan doctrine of all Incarnation Our translators cater to the whims of the people and continue to force feed humanity false translations knowingly Scholars have proven these translations to be in error proven the Name of Yahuah was removed proven the name of the Messiah has been replaced by the name of the False Messiah Textual Critics The Nazarene 3 have known for hundreds of years that the Greeks twisted the Scriptures and where they are in error Scholars now openly admit that the Apostle Sha ul s writings were twisted even further by the Reformers into what we call The Pauline Doctrine The Pauline Doctrine is a mistranslated Greek appropriate sound bite driven implied LIE It is 100% contrary to what Sha ul taught as a Leader of the Nazarenes Yet today these self appointed teachers do not have the anointing to correct Sha ul s work even going so far as to commit false witness against Sha ul blaming him for what the Greeks have done as if Sha ul is the author of The Pauline Doctrine In doing so they have taken one of the most inspired anointed and qualified teachers of the Nazarenes from us I will show us what it means to be Nazarene what they believed and what Yahchanan Yahusha Yaakov and Sha ul taught that continued to be believed for 500 years before the Nazarenes were driven underground by Christians and Hellenized Jews I will prove that not one of them accepted The Virgin Birth they rejected Incarnation they taught Yahusha was Adopted upon his Mikveh just like we are they kept the intent of The Law not the letter they followed the ancient Enochian Path and they knew that Yahusha Fulfilled The Law through Mikveh he was NOT a Living Torah Yahusha was the Fulfillment of the Debar Predestined Plan written in The Heavenly Scroll not the Logos Word made flesh These issues are at the very foundation of The Yahushaic Covenant The teachers in the Hebrew Roots movement show a total disconnect from who The Nazarenes were what they taught and what the Nazarene s believed Overall these teachers today in the Hebrew Roots and Messianic Movements show very little Spiritual anointing to even teach Yet they appear as worthy teachers to the masses unless you truly understand what they teach
