modern sensibility and a dashing great nephew just might be the answer to Thea's prayers. Except she has no intention of marrying the first man she meets. That would be utterly ridiculous. It just can't be him. Lord William Cavensham is entirely too devoted to his family's estate ever since he was jilted as a lad to wed, but he agrees to meet the woman his aunt has taken under her wing and introduce her to possible suitors. But after just one meeting with beautiful, spirited Thea, Will is determined to help her reclaim her title. And even moreso, he can't stop thinking that perhaps marriage to this bold, passionate woman may be the one thing he's been missing all along.
