What Does Customer Service Excellence:

The Nordstrom Way to Customer Service Excellence Robert Spector, Patrick D. McCarthy, 2012-02-07 The Nordstrom Way shows the direct link between empowering your employees and creating a long term relationship with your customers More businesses should follow Nordstrom's example Howard Schultz Chairman Starbucks Coffee Virtually every company wants to be the Nordstrom of their industry Nordstrom is one of only five companies to make Fortune's best companies to work for and most admired list every year the surveys have been taken Despite its position in the hard hit retail sector Nordstrom with 193 stores in 28 states never experienced a quarterly loss during the recent economic downturn The Nordstrom Way to Customer Service Second Edition explains what every business can learn from the world's most famous customer service driven company New material in this revised edition includes How To Become The Nordstrom Of Your Industry Tools for creating a customer driven culture Chapters on Nordstrom's online customer service and the innovative social commerce features of its website Breakthroughs on Nordstrom's multi channel approach to customer service Nordstrom follows a set of principles that has made it a leader in its industry Discover what endears Nordstrom to its customers and learn how to apply those same standards to your company

The Six Principles of Service Excellence Theo Gilbert-Jamison, 2005-08-09 In reading this book you will find that The Six Principles of Service Excellence IS A simple yet comprehensive step by step process that if followed implicitly will lead any organization small or large to achieving and sustaining a work environment that will foster superior employee performance and service excellence More than a theory or concept It is a process that is effectively used in many healthcare financial legal hospitality and food service organizations today by skilled and knowledgeable performance consultants and leaders You will further come to realize that The Six Principles of Service Excellence IS NOT A quick fix It is not about herding a group of employees through a 2 4 hour customer service workshop and calling it a day For everyone nor every organization Without 100% commitment and involvement from senior leadership it will not thrive A superficial Pep Rally It is about making sound decisions and implementing interventions that will create lasting results

Achieving Excellence Through Customer Service John Tschohl, 2023-04-15 Achieving Excellence Through Customer Service is now in its 15th Edition with updates through 2023 This book is often considered the bible of customer service It will help you understand the power of excellent customer service and identify an implementation plan This book gives you detailed step by step knowledge to establish a customer service strategy that will work for you and your organization In 1979 long before customer service came into vogue I designed a customer service training program that organizations could use to change the attitudes and behavior of employees This was my ninth year in the consulting and training business I saw organizations spend millions on advertising trying to attract customers But then they used baseball bats figuratively to drive them away This was bizarre behavior I felt If these organizations would just The Feelings learning system I developed in 1979 has been used by millions of people throughout the world It is cost effective and user friendly

written to be understood by the employee participants not just management and trainers It has been updated many times With COVID throughout the world most organizations gave up on customer service across the world It is worse today than in 1979 This book is written for managers senior and middle managers who influence the customer service of a company by deciding what employees who deal directly with customers on the phone the Internet or in person will deliver an awesome customer experience They tell employees what is expected of them in terms of customer service and they evaluate and report to them their service performance Service leaders and champions of service can use this book to drive a service strategy Entrepreneurs who want to grow their businesses through a service culture will find these ideas valuable **Achieving**
