Gravissimum Educationis Gerald M. Cattaro, Charles J. Russo, 2015-08-06 *Gravissimus Educationis* Golden Opportunities in American Catholic Education 50 Years after Vatican II reviews the development of American Catholic schools since the promulgation of *Gravissimus Educationis* the only document on education produced by the Ecumenical Council known as Vatican II This document literally translated as *The Importance of Education* addresses how extremely vital Catholic education in particular is in modern life Cattaro and Russo also reflect on changes that have transpired since the Third Plenary Council of Baltimore of 1884 This council forever changed the shape of nonpublic education in the United States in its decree that all parishes in the United States were to construct Catholic schools for the education of children This volume is also designed to benefit Catholic Educators in all at levels from primary to higher education The chapters in this book prepared by leading experts on various aspects of Catholic education or other forms of non public education in the United States provide a history as to the recent development on Catholic schools *Gravissimus Educationis* Golden Opportunities in American Catholic Education 50 Years after Vatican II provides the context of change and the current state of Catholic Schools in the United States and in some sense the global perspective The scope of this book goes beyond the professional educator in Catholic Schools as it also address the stakeholders of Catholic education such as parents who are consumers pastors religious educators and donors *The Praeger Handbook of Faith-Based Schools in the United States, K-12* Thomas C. Hunt, James C. Carper, 2012-08-06 Exploring a subject that is as important as it is divisive this two volume work offers the first current definitive work on the intricacies and issues relative to America's faith based schools *The Praeger Handbook of Faith Based Schools in the United States K 12* is an indispensable study at a time when American education is increasingly considered through the lenses of race ethnicity gender and social class With contributions from an impressive array of experts the two volume work provides a historical overview of faith based schooling in the United States as well as a comprehensive treatment of each current faith based school tradition in the nation The first volume examines three types of faith based schools Protestant schools Jewish schools and Evangelical Protestant homeschooling The second volume focuses on Catholic Muslim and Orthodox schools and addresses critical issues common to faith based schools among them state and federal regulation and school choice as well as ethnic cultural confessional and practical factors Perhaps most importantly for those concerned with the questions and controversies that abound in U S education the handbook grapples with outcomes of faith based schooling and with the choices parents face as they consider educational options for their children
