What Is History Edward Hallett Carr:

What is History? E. H. Carr, 2018-06-07 Not only one of our most distinguished historians but also one of the most valuable contributors to historical theory Spectator In formulating an answer to the question of What is History Carr argues that the facts of history are simply those which historians have chosen to focus on All historical facts come to us as a result of interpretive choices by historians influenced by the standards of their age Now for the first time in Penguin Modern Classics with an introduction by Richard J Evans author of the Third Reich trilogy **E.H.Carr: A Critical Appraisal** M. Cox, 2016-04-30 E H Carr 1892 1982 was born into security but lived a life of controversy Attacked for appeasing both Hitler and Stalin he was not only one of the most productive writers of the Twentieth century but one of its most provocative as well In this book the first ever to deal critically but fairly with Carr s contribution to international relations Soviet Studies and the study of history sixteen internationally respected authors grapple with his complex intellectual legacy For those seriously interested in understanding the life and times of this most English of establishment radicals this is the place to begin

What is History? Edward Hallett Carr, 1961 A philosophical interpretation of history examining the significance of historical study as a science and a reflection of social values *What is History?* Edward Hallett Carr, 1961 **In Defense of History** Richard J. Evans, 2015-06-15 A master practitioner gives us an entertaining tour of the historian s workshop and a spirited defense of the search for historical truth E H Carr s What Is History a classic introduction to the field may now give way to a worthy successor In his compact intriguing survey Richard J Evans shows us how historians manage to extract meaning from the recalcitrant past To materials that are frustratingly meager or overwhelmingly profuse they bring an array of tools that range from agreed upon rules of documentation and powerful computer models to the skilled investigator s sudden insight all employed with the aim of reconstructing a verifiable usable past Evans defends this commitment to historical knowledge from the attacks of postmodernist critics who see all judgments as subjective Evans brings a remarkable range a nose for the archives a taste for controversy and a fluent pen The New Republic to this splendid work Essential reading for coming generations Keith Thomas *Redescribing Christian Origins* Ronald Dean Cameron, Merrill P. Miller, 2004 These essays challenge the traditional picture of Christian origins Making use of social anthropology they move away from traditional assumptions about the foundations of Christianity to propose that its historical beginnings are best understood as reflexive social experiments *Is History Fiction?* Ann Curthoys, 2010-10 The relationship between history and fiction has always been a controversial one Can we ever know that a historical narrative is giving us a true account of what actually happened Provocative and fascinating this book is an original and insightful examination of the ways in which history is and might be written It traces History s double **HISTORY-I**, 2025-08-19 TP LAW SOLVED SERIES For LL B Bachelor of Law 5 Years Integrated Course First Semester Students of University of Lucknow [History and International Relations](#) Howard LeRoy Malchow, 2015-11-19 History and International Relations examines from a historian s perspective

the evolution of international relations as a discipline and charts its engagement with the history of war peace and foreign relations from the ancient world to the present day In three parts it looks at the field s development its contribution to historical narrative and its contemporary practice Part I The History of a Discipline locates the development of IR scholarship in its own historical contexts examining the origin of dominant IR theories their use of historical evidence and their relation to other social science disciplines Part II IR and International History explores key moments in the history of war and peace from the Peloponnesian War to the Cold War and beyond and the role they played in constructing the discipline Part III Contemporary IR and the Uses of History reflects on the current ferment in IR over its Eurocentric theory and practice its key concepts of state and sovereignty the impact of non state actors and human rights and the return of history

International History and International Relations Andrew J. Williams, Amelia Hadfield, J. Simon Rofe, 2012 This innovative new textbook seeks to provide undergraduate students of international relations with valuable and relevant historical context bridging the gap and offering a genuinely interdisciplinary approach Each chapter integrates both historical analysis and literature and applies this to an international relations context in an accessible fashion allowing students to understand the historical context in which these core issues have developed The book is organised thematically around the key issues in international relations such as war peace sovereignty identity empire and international organisations Each chapter provides an overview of the main historical context theories and literature in each area and applies this to the study of international relations Providing a fresh approach this work will be essential reading for all students of international relations and international relations theory

History and Ideology in Charles Dickens's and Orhan Kemal's Selected Novels Erol Gülüştür, 2023-08-31 History and ideology are important concepts to consider when going through a literary work Since ancient times they have been key tools for the examination of literature By means of these two concepts a given work is analyzed and evaluated more profoundly Both English and Turkish literature show traces of history and contesting ideologies Charles Dickens and Orhan Kemal are prominent authors the works of whom reveal the historical and ideological background of their respective contexts This book extensively accounts for history and Althusser s ideology in Charles Dickens s and Orhan Kemal s selected novels

Fifty Key Thinkers on History Marnie Hughes-Warrington, 2014-09-04 Fifty Key Thinkers on History is an essential guide to the most influential historians theorists and philosophers of history The entries offer comprehensive coverage of the long history of historiography ranging from ancient China Greece and Rome through the Middle Ages to the contemporary world This third edition has been updated throughout and features new entries on Machiavelli Ranajit Guha William McNeil and Niall Ferguson Other thinkers who are introduced include Herodotus Bede Ibn Khaldun E H Carr Fernand Braudel Eric Hobsbawm Michel Foucault Edward Gibbon Each clear and concise essay offers a brief biographical introduction a summary and discussion of each thinker s approach to history and how others have engaged with it a list of their major works and a list of resources for further study

A Past of Possibilities Quentin Deluermoz, Pierre

Singaravélou,2021-01-01 An exploration of hypothetical turning points in history from Ancient Greece to September 11 What if history as we know it had run another course Touching on alternate histories of the future and the past or uchronias A Past of Possibilities encourages deeper consideration of watershed moments in the course of history Wide ranging in scope it examines the Boxer Rebellion in China the 1848 revolution in France and the assassination of Archduke Franz Ferdinand in 1914 and integrates science fiction history historiography sociology anthropology and film In probing the genre of literature and history that is fascinated with hypotheticals surrounding key points in history Quentin Deluermoz and Pierre Singarav lou reach beyond a mere reimagining of history exploring the limits and potentials of the futures past From the most bizarre fiction to serious scientific hypothesis they provide a survey of the uses of counterfactual histories methodological issues on the possible in social sciences and practical proposals for using alternate histories in research and the wider public **Suva Stories** Nicholas Halter,2022-09-08 Suva Stories explores a fascinating tapestry of histories in one of the Pacific s oldest and most culturally diverse urban centres the capital of Fiji Charting the trajectory of Suva from indigenous village to colonial hub to contemporary Pacific metropolis it draws on a rich colonial archive and moving personal memoirs that bear witness to their time The diverse contributions in this volume form a complex mosaic of urban lives and histories that contribute fresh insights into historical and ongoing debates about race place and belonging Suva Stories is a valuable companion to those seeking to engage with the city s pasts and present and will prompt new conversations about history and memory in Fiji

What Is Geography? Alastair Bonnett,2023-06-23 Geography is fundamental to understanding the way the world works This text offers readers a short and highly accessible account of the ideas and concepts constituting geography Including discussion of both the human and the natural realms the text looks at key themes such as environment space and place as well as geography s methods and the history of the discipline showing us how and why they are essential for a thriving planet Introductory but not simplified Bonnett provides students with the ability to understand the history and context of the subject without any prior knowledge This short elegant book will be of interest to all readers intrigued by the geographical imagination *Inventing International Society* T. Dunne,1998-08-17 Inventing International Society is a narrative history of the English School of International Relations After E H Carr departed from academic international relations in the late 1940s Martin Wight became the most theoretically innovative scholar in the discipline Wight found an institutional setting for his ideas in The British Committee a group which Herbert Butterfield inaugurated in 1959 The book argues that this date should be regarded as the origin of a distinctive English School of International Relations In addition to tracing the history of the School the book argues that later English School scholars such as Hedley Bull and R J Vincent made a significant contribution to the new normative thinking in International Relations **Writing the Victorian Constitution** Ian Ward,2018-08-21 This book charts the writing of the English constitution through the work of four of the most influential jurists in the history of English constitutional thought Edmund Burke Thomas Babington Macaulay Walter Bagehot and Albert Venn Dicey Stretching

from the French Revolution to the death of Queen Victoria their writing is both representative of and formative to the Victorian constitution Ian Ward traces how constitutional writing changed over the course of the long nineteenth century from the poetics of Burke and the romance of Macaulay to the pragmatism of Bagehot and the jurisprudence of Dicey A century on our perception of the English constitution is still shaped by this contested history

In Defence of History Richard J. Evans, 2012-11-01 A lucid muscular and often sly reflection on the worth and purpose of historical scholarship by the award winning author of *The Third Reich Trilogy* Kirkus In this volume the renowned historian Richard J Evans offers a fervent and deeply insightful defense of his craft and its importance to civilization At a time when fact and historical truth are under unprecedented assault Evans shows us why history is necessary Taking us into the historians workshop he offers a firsthand look at how good history gets written In staunch opposition to the wilder claims of postmodern historians Evans thoroughly dismantles the notion that a realistic grasp of history is impossible to attain He then goes on to explain the deadly political dangers of losing a historical perspective on the way we live our lives In the tradition of E H Carr's *What Is History* and G R Elton's *The Practice of History* Evans *In Defense of History* delivers a model of lucid and intelligent historiographical analysis The Guardian UK

[The Poetics of International Politics](#) Milan Babík, 2018-10-26 A cutting edge contribution to the aesthetic turn in international relations scholarship this book exposes the role of poetic techniques in constituting the reality of international politics It has two symmetrical goals to illuminate the nonempirical fictions of factual international relations literature and to highlight the real factual inspirations and implications of contemporary international relations fiction Employing narrative theory developed by Hayden White the author examines factual and fictional accounts of world affairs ranging from the anarchy narrative central to mainstream international relations research to novels by Don DeLillo and Milan Kundera Chapters analyzing factual literature flesh out its unacknowledged inventions while those dedicated to fiction explain its political roots and agenda Throughout the distinction between factual and fictional representations of international relations breaks down Social scientific narratives emerge as exercises in rhetoric the art and politics of persuasion through language Artistic narratives surface as real pedagogical lessons and exercises in political activism The volume challenges the autonomy of academic international relations as an exclusive purveyor of serious knowledge about world affairs and calls for active engagement with literary art It will be of interest to scholars of International Relations Political Theory Historiography Cultural Theory and Literary Studies and Criticism

Edinburgh Companion to Political Realism Robert Schuett, 2018-11-14 Political realism is a highly diverse body of international relations theory This substantial reference work examines political realism in terms of its history its scientific methodology and its normative role in international affairs Split into three sections it covers the 2000 year canon of realism the different schools of thought the key thinkers and how it responds to foreign policy challenges faced by individual states and globally It brings political realism up to date by showing where theory has failed to keep up with contemporary problems and suggests how it can be applied

and adapted to fit our new globalised world order
