The Book of Gems Kevious Cole,2020-06-17 From the very moment of my conciousness beginning stages of teething I found out whom I was what I d been before most importantly just whom I was soon to become For years I d longed for consistent stable relationships Whether it was seeking the attention I d always wished for from my dad Or the beauty that I d always seen in the greatest creation known to man Woman Yes I ve always been a lover s boy with a heart of tender loving care My mom told me one day always treat a woman the way you d want your mama to be treated This is blueprint to my life But quickly it became the destruction before my eye s From the way the I embraced the beautiful Mother Nature the photosynthesis of into life the experiences the oppression spirituality love conditions that alter us All these things make up of something that only you could self reflect I looked at this opportunity of life as I did embracing the GEMS within a woman Indeed I came from you soo did all things that has birth of life While my photosynthesis may have been a bit different grown a bit wilder with thorns with lack of knowing how to tend to the garden of life This is called growing pains One of which I ve felt hard pressed from all sides I have a saying that the abused in turn becomes the abuser Well if that s the case then I guess I have succumbed to the accuser From panged outcries of the fetus in the womb to the being that lived in bodily form to be doomed I was oppressed to have caused pressure All in all I simply wanted to make love to this thing called life This was my reason of why without even knowing the repercussions

consequences that would follow behind Good thing my dad told me that a mistake is no longer a mistake once you correct it Each life lived is a book to be written all we have to do is open it there lies the answers Within mine I found The Book of GEMS

Jerry Lee Lewis Joe Bonomo, 2010-06-01 A superb new study of Jerry Lee Lewis that's as intense and fast paced as the life of The Killer himself from the height of fame to the bumpy road that followed The category in which Jerry Lee Lewis truly belongs is Jerry Lee Lewis The Killer is as big as Mount Rushmore and he's also as American as revered as clichéd as misunderstood as corny and as taken for granted as that monument The curse of iconoclastic American success Elvis felt it so does Dylan So will others who haven't been born yet The story of Louisiana hellcat Jerry Lee Lewis and his 1958 wedding scandal it was discovered that at 22 he had married his 13 year old second cousin Myra before he was divorced from his second wife long ago took precedence over the man himself and the music he makes In Jerry Lee Lewis Lost and Found author Joe Bonomo lets others focus on the scandal and delves more deeply into the accidental intersection between fading American Rockabilly and ascending Beatlemania By first taking a look at the critical years before his famed night in 1964 at West Germany's Star Club what that meant not only for him but the entire live album making world then the tumultuous years that follow culminating in his time on the American Country charts in the late 60s early 70s Bonomo brings Jerry Lee Lewis to life in new and fascinating ways In spite of plummeting record sales and concert fees a media savaging of his personal character a change of record labels and management and a considerable upturn in his drug and alcohol abuse Jerry Lee Lewis has persevered In between being betrayed and ignored he would record one of the greatest rock roll performances in history Bonomo's thorough research includes new interviews with Live at the Star Club producer Sigi Loch members of the Nashville Teens and other musicians and fans who were at the Star Club performance as well as with music industry figures

ranging from famed Nashville producer Jerry Kennedy and legendary Memphis stalwart Jim Dickinson to Killer influenced contemporaries John Doe and Dave Alvin This passionate book examines and explains the almighty impact of the Father of Rock n Roll **Dollar Monthly Magazine** ,1865 *Ballou's Monthly Magazine* ,1892 **The Settler** Herman Whitaker,2021-05-19 In *The Settler* Herman Whitaker delves into the complex interplay between civilization and wilderness presenting an intricate portrait of life on the fringes of the American frontier during the late 19th century With a blend of realist narrative and vivid descriptive passages Whitaker explores themes of perseverance conflict and identity against the backdrop of expanding territories The prose is both lyrical and stark reflecting the dual nature of the settler experience challenging yet imbued with a sense of hope and renewal amid harsh landscapes and societal tensions His acute observations of the settlers struggles resonate with the broader cultural discourse of Manifest Destiny and the moral dilemmas therein making the work a significant contribution to the American Western genre Herman Whitaker an accomplished writer and journalist drew from his own experiences as a settler and observer of the American West which profoundly shaped his perspective on the thematic undercurrents present in *The Settler* His deep understanding of the socio political climate of his time coupled with his background in literature allowed him to craft a narrative that is both personal and evocative Whitaker s own journey reflects the trials and tribulations of those who sought new beginnings in untamed territories lending authenticity to his characters and their narratives Readers interested in the complexities of American history as well as those who appreciate intricate character studies will find *The Settler* to be a captivating exploration of resilience and the human spirit This work not only serves as a profound reflection on the past but also prompts contemporary questions about belonging and identity in a constantly evolving landscape Whitaker s thoughtful prose and rich storytelling make this book a must read for anyone who wishes to understand the heart of the American frontier **Flaws Of Perfection** Nasir Salaam,2018-08-03 *Flaws of perfection* came about from one s personal views on his or her life When you give thought to the title what can you deem perfect The first thought that comes to my mind is Allah God We all deal with our own personal flaws no matter your religion This is an autobiography in a poetic form I m giving you different views and insight inside my train of thoughts Also I m showing you the progression as years went by who s better to scribe your story than you The world will always have their views and opinions of you Does it make it true If you are able to still smile when confronted with pain and laugh when presented with joy that s a life even the wealthiest person couldn t afford Adversity either exposes or reveals one s true self So laugh with me cry with me I m showing you what s inside of me I m not the only one that been through some pain But what I want you to gain by the end of this book at least smile for me **His Hiding Place Is Darkness** Francis X. Clooney S.J.,2013-12-04 *His Hiding Place is Darkness* explores the uncertainties of faith and love in a pluralistic age In keeping with his conviction that studying multiple religious traditions intensifies rather than attenuates religious devotion Francis Clooney s latest work of comparative theology seeks a way beyond today s religious and interreligious uncertainty by

pairing a fresh reading of the absence of the beloved in the Biblical Song of Songs with a pioneering study of the same theme in the Holy Word of Mouth 9th century CE a classic of Hindu mystical poetry rarely studied in the West Remarkably the pairing of these texts is grounded not in a general theory of religion but in an engagement with two unexpected sources the theopoetics theodramatics and theology of the 20th century Catholic theologian Hans Urs von Balthasar and the intensely perceived and written poetry of Pulitzer Prize winner Jorie Graham How we read and write on religious matters is transformed by this rare combination of voices in what is surely a unique and important contribution to comparative studies and religious hermeneutics

What's Left of the World David J. Blacker, 2019-05-31 In 1960 Paul Goodman argued that the Fordist system that treated people as mere cogs in a machine had created a profound unhappiness in young people and in American society as a whole More than half a century later professor David Blacker recognizes that decades of neoliberalism have pushed young people beyond unhappiness and into a collective identity crisis Overall Americans no longer feel needed to do jobs that had previously anchored them in society and are becoming disconnected and purposeless The proliferation of new identities based not on work but on consumption is symptomatic of neoliberalism and its hyper commodification and deregulation of everyday life
