Frankenstein Dean R. Koontz,2011-05 In *Frankenstein Lost Souls* Dean Koontz puts a singular twist on this classic tale of ambition and science gone wrong to forge a new legend uniquely suited to our times It is a story of revenge redemption and the thin line that separates human from inhuman The work of creation has begun again Victor Leben once Frankenstein has seen the future and he s ready to populate it Using stem cells organic silicon circuitry and nanotechnology he will engender a race of superhumans the perfect melding of flesh and machine With a powerful enigmatic backer and a secret location where the enemies of progress can t find him Victor is certain that this time nothing can stop him It is up to five people to prove him wrong In their hands rests nothing less than the survival of humanity itself They are drawn together in different ways by omens sinister and wondrous to the same shattering conclusion Two years after they saw him die the man they knew as Victor Helios lives on As they gather at a small Montana town old alliances will be renewed and tested from within and without for the dangers they face will eclipse any they have yet encountered Yet in the midst of their peril love will blossom and joy and they will discover sources of strength and perseverance they have not imagined They will need them for a monumental battle is about to commence that will require all their ingenuity and courage as it defines what we are to be and if we are to be at all *Dream of Night* Heather Henson,2010-05-04 Untamable Damaged Angry Once full of promise and life now lost in the shadows of resentment and detachment this is *Dream of Night* s story and it is also Shiloh s One is a thoroughbred racehorse the other an eleven year old foster child Starved to the bone *Dream of Night* is still a very powerful animal kicking bucking screaming to show his strength Shiloh has been starved in other ways starved of affection starved of
