Strangers in the Land draws upon politics sociology law religion and popular culture to illuminate a vital highly conflicted interethnic partnership over the course of a century *Your Blues Ain't Like Mine* Bebe Moore Campbell,1993-08-10 Intriguing A thoughtful intelligent work The novel traces the year from the 50s to the late 80s from Eisenhower to George Bush She writes with simple eloquence about small town life in the South right after the start of the great social upheaval of the civil rights movement Campbell has a strong creative voice THE WASHINGTON POST BOOK WORLD Chicago born Armstrong Toole is fifteen black and unused to the ways of the segregated Deep South when his mother sends him to spend the summer with relatives in rural Mississippi For speaking a few innocuous words in French to a white woman Armstrong is killed And the precariously balanced world and its determined people white and black are changed then and forever by the horror of poverty the legacy of justice and the singular gift of love's power to heal *Twentieth-Century and Contemporary American Literature in Context* Linda De Roche,2021-06-04 This four volume reference work surveys American literature from the early 20th century to the present day featuring a diverse range of American works and authors and an expansive selection of primary source materials Bringing useful and engaging material into the classroom this four volume set covers more than a century of American literary history from 1900 to the present Twentieth Century and Contemporary American Literature in Context profiles authors and their works and provides overviews of literary movements and genres through which readers will understand the historical cultural and political contexts that have shaped American writing Twentieth Century and Contemporary American Literature in Context provides wide coverage of authors works genres and movements that are emblematic of the diversity of modern America Not only are major literary movements represented such as the Beats but this work also highlights the emergence and development of modern Native American literature African American literature and other representative groups that showcase the diversity of American letters A rich selection of primary documents and background material provides indispensable information for student research *Cultural Migrations and Gendered Subjects* Silvia Castro-Borrego,Maria Isabel Romero Ruiz,2011-01-18 The present volume explores through cultural and literary representations the contributions of women to the construction of knowledge in an ever changing global world as migrant subjects The essays contained in this book also focus on the female body as a site of physical violence and abuse fighting prevalent stereotypes about women's representations and identities This collection intends to enter a forum of discussion in which the colonial past serves as a point of reference for the analysis of contemporary issues Women's strategies for building possible identities are seen to be based on their own experiences seeking the ways in which the public marking and marketing of the female body within the western male imaginary contributes to the making of women's social and personal identities The different articles contained in this volume examine issues of gender and boundaries the realities of women as colonial and postcolonial subjects and darker realities such as alienation and discrimination as a result of migration racism and colonization analysed through a variety of critical perspectives The gendered raced classed dimensions

and mixed heritages not only of white women but also of women of the African Diaspora these are important issues for the construction of knowledge and identity in our present multicultural societies and can potentially change the ways we conceptualize, situate and engage the humanities in our scholarly work and in our social and cultural policies. These women, their presumed sexuality and their capacity to produce hybrid subjects as well as their supposed irrationality make them a singularly disruptive figure in our contemporary world. This interpretation has its roots in the treatment of women in colonial times especially when they were out of the margins of respectable society. The volume is addressed to a wide readership both scholarly and those interested in investigating the dynamics of the social and cultural conceptualizations of our multicultural and multiethnic contemporary societies marked by the intercultural exchanges of migratory subjects from a gender perspective.

Book Lust Nancy Pearl, 2009-09-29 What to read next is every book lover's greatest dilemma. Nancy Pearl comes to the rescue with this wide-ranging and fun guide to the best reading new and old. Pearl, who inspired legions of literateurs with *What If All the City Reads the Same Book*, has devised reading lists that cater to every mood, occasion and personality. These annotated lists cover such topics as mother-daughter relationships, science for nonscientists, mysteries of all stripes, African American fiction from a female point of view, must-reads for kids, books on bicycling, chick lit and many more. Pearl's enthusiasm and taste shine throughout.

Books , The Civil Rights Reader Julie Buckner Armstrong, Amy Schmidt, 2009-01-01 This anthology of drama, essays, fiction and poetry presents a thoughtful, classroom-tested selection of the best literature for learning about the long civil rights movement. Unique in its focus on creative writing, the volume also ranges beyond a familiar 1954-68 chronology to include works from the 1890s to the present. The civil rights movement was a complex, ongoing process of defining national values such as freedom, justice and equality. In ways that historical documents cannot, these collected writings show how Americans negotiated this process politically, philosophically, emotionally, spiritually and creatively. Gathered here are works by some of the most influential writers to engage issues of race and social justice in America, including James Baldwin, Flannery O'Connor, Amiri Baraka and Nikki Giovanni. The volume begins with works from the post-Reconstruction period when racial segregation became legally sanctioned and institutionalized. This section, titled *The Rise of Jim Crow*, spans the period from Frances E. W. Harper's *Iola Leroy* to Ralph Ellison's *Invisible Man*. In the second section, *The Fall of Jim Crow*, Martin Luther King Jr.'s Letter from Birmingham Jail and a chapter from *The Autobiography of Malcolm X* appear alongside poems by Robert Hayden, June Jordan and others who responded to these key figures and to the events of the time. *Reflections and Continuing Struggles*, the last section, includes works by such current authors as Rita Dove, Anthony Grooms and Patricia J. Williams. These diverse perspectives on the struggle for civil rights can promote the kinds of conversations that we as a nation still need to initiate.

This Woman's Work Osizwe Raena Jamila Harwell, 2016-06-07 *This Woman's Work* presents a social history and critical biography based on the life of award-winning writer Bebe Moore Campbell (1950-2006). It offers the personal story of a popular novelist, journalist and mental health advocate. This book

examines Campbell's life and activism in two periods first as a student at the University of Pittsburgh during the 1960s black student movement and second as a mental health advocate near the end of her life in 2006 It describes Campbell's activism within the Black Action Society from 1967 to 1971 and her negotiation of the Black Nationalist ideologies espoused during the 1960s The book also explores Campbell's later involvement in the National Alliance on Mental Illness NAMI her role as a national spokesperson and the local activism that sparked the birth of the NAMI Urban Los Angeles chapter which served black and Latino communities 1999 2006 Adjacent to her activist work Campbell's first novel *Your Blues Ain't Like Mine* connects to her emerging political consciousness related to race and gender and the concern for racial violence during the US black liberation period from 1950 to 1970 Similarly Campbell's final novel *72 Hour Hold* is examined closely for its connection to her activism as well as the sociopolitical commentary emphasis on mental health disparities coping with mental illness and advocacy in black communities As a writer and activist Campbell immersed her readers in immediately relevant historical and sociopolitical matters This *Woman's Work* is the first full length biography of Bebe Moore Campbell and details the seamless marriage of her fiction writing and community activism
