

IN CYBERSPACE WHATSHACK : WHATSAFF

WhatsApp Messenger is an instant messaging subscription service.

Its for :

- Text messaging, images, video and audio media messages, contact as well as location data.
- September 2014, most popular global messaging app, with 600 million users.

Problem :

- Running aside from regular users, more underground communities like to use this application.
- Fast, reliable and inexpensive service for sharing various kinds of information.
- More complicated to monitor by a third party than regular phone messages & some online services.
- Mostly Cyber underground groups offer membership services, hacking tips, cyberattack coordination and more. Members from numerous countries, including Bangladesh, Pakistan, Indonesia and others, expose their phone numbers to connect to such groups.

There are several manuals describing how to access other WhatsApp accounts. One post shared two different methodologies to do just that: spoofing with the help of Mac number, and using spy software. This post received over 738,000 views over a two-week period.

"In addition to spy methodologies, you can find various tools, such as WhatsApp Hack Spy Tool, WhatsAppSniffer, WhatsApp Xtract, WhatsApp Conversation SPT Hack Tool and more. You can also use third party spyware. These tools can be used for Android, iPhone and BlackBerry devices. Tools provide such features as tracking all voice notes, viewing all user chat logs, updating profile pictures, sending messages to contacts, changing profile status and more, depending on the tool."

Scenario on social media :

The dissemination of such tools is becoming common also on social networks, such as Facebook, Twitter and LinkedIn.

- A Facebook page titled **"WhatsAppSpyHack"** has 1475+ members, mostly from India, Italy, France and the U.S. And another similar as

Whatsapp Mastery for Grandpas Mateen Soudagar,2015-12-07 I have been using WhatsApp for a long time to communicate with my friends WhatsApp began in 2009 when a few phone apps were competing to gain a significant share of the user base Back then the concept was still rather new to me I never thought it would reach as many users as it has now Earlier this year in March 2015 my mother travelled to India and was able to meet with her family Many of them were avid users of WhatsApp and convinced Mom to get it After she had got back from India she convinced my dad to get it too Now they send messages videos and text to everyone anywhere and they ve become more adept at using it than I am The most beautiful thing about WhatsApp is that it has not only simplified phone communication between users but also made things so simple that our older generation will find it easy to understand and use These days most apps and software are tailored to younger folk who have been using technology all their lives It s great that some newer companies like WhatsApp are tailoring their interface and features for all ages This eBook covers everything you need to know and more about WhatsApp It will get you up to speed with what everyone else knows about WhatsApp and get you using it just as well as they do Plus it will have you knowing things about WhatsApp that not many other people know This book is written to take you from knowing nothing about WhatsApp to knowing everything and more You can take what you want and apply it accordingly WhatsApp and most other technologies are best learned in actual use so don t just read this book and do nothing After you read this book or even as you re reading it apply what you re learning with your phone in hand I hope you thoroughly enjoy and recommend this book to anyone else you feel needs it

Blackberry Passport: An Easy Guide to the Best Features Bill Stonehem,2016-08-31 The Blackberry Passport was released on September 2014 It is uniquely designed and may not be for everyone It does however feature a long lasting battery and a lot of storage space which has earned it a number of high reviews The downfalls are the limited apps available and the difficulty faced when trying to

operate the device one handed The customisations are not much when compared to its competitors but the Passport allows you make significant changes to suit each user and enhance their overall experience with the device *WhatsApp A Complete Guide* Gerardus Blokdyk,2018 WhatsApp A Complete Guide

Enjoying the Beat of Expression: An Psychological Symphony within **Whatsapp Blackberry Manual**

In some sort of taken by displays and the ceaseless chatter of immediate communication, the melodic splendor and psychological symphony produced by the published term often fade in to the backdrop, eclipsed by the persistent sound and disruptions that permeate our lives. However, nestled within the pages of **Whatsapp Blackberry Manual** a marvelous literary treasure filled with raw thoughts, lies an immersive symphony waiting to be embraced. Crafted by a wonderful composer of language, that fascinating masterpiece conducts readers on a mental trip, skillfully unraveling the concealed melodies and profound affect resonating within each carefully crafted phrase. Within the depths of this poignant review, we will examine the book is main harmonies, analyze its enthralling publishing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
