Neoliberalism Economic Policy and the Collapse of the Public Sector Lionel D. Lyles PhD.,2018-07-13 My book demonstrates how classical liberalism was the foundation upon which Thomas Jefferson George Washington Alexander Hamilton and others wrote the Declaration of Independence Constitution and the Bills of Rights however it was rolled back by 1980 and replaced with neoliberalism which was championed by the Reagan Administration In short this ideology has one main aim and that is to shrink government cut the budgets of social programs and give away billions of taxpayer dollars to private business in the form of tax breaks During the Jindal administration and by the end of its first term more than 7 billion worth of tax breaks had been given away to private business A surplus of 1 billion left in the Louisiana treasury by outgoing governor Kathleen Blanco after Hurricane Katrina was given away by the end of the first two months of its first term Today the Louisiana legislature is currently facing a 650 million fiscal cliff and no doubt more budget cuts are in store for the Louisiana public sector

Basket Diplomacy Denise E. Bates,2020-02-01 Before the Coushatta Tribe of Louisiana became one of the state s top private employers with its vast landholdings and economic enterprises they lived well below the poverty line and lacked any clear legal status After settling in the Bayou Blue in 1884 they forged friendships with their neighbors sparked local tourism and struck strategic alliances with civic and business leaders aid groups legislators and other tribes Coushattas also engaged the public with stories about the tribe s culture history and economic interests that intersected with the larger community all while battling legal marginalization exacerbated by inconsistent government reports regarding their citizenship treaty status and eligibility for federal Indian services Well into the twentieth century the tribe had to overcome several major hurdles including lobbying the Louisiana legislature to pass the state s first tribal recognition resolution 1972 convincing the Department of the Interior to formally acknowledge the Coushatta Tribe through administrative channels 1973 and engaging in an effort to acquire land and build infrastructure Basket Diplomacy demonstrates how the Coushatta community worked together each generation laying a foundation for the next and how they leveraged opportunities so that existing and newly acquired knowledge timing and skill worked in tandem

Ghosts in the Schoolyard Eve L. Ewing,2020-04-10 Failing schools Underprivileged schools Just plain bad schools That s how Eve L Ewing opens *Ghosts in the Schoolyard* describing Chicago Public Schools from the outside The way politicians and pundits and parents of kids who attend other schools talk about them with a mix of pity and contempt But Ewing knows Chicago Public Schools from the inside as a student then a teacher and now a scholar who

studies them And that perspective has shown her that public schools are not buildings full of failures they re an integral part of their neighborhoods at the heart of their communities storehouses of history and memory that bring people together Never was that role more apparent than in 2013 when Mayor Rahm Emanuel announced an unprecedented wave of school closings Pitched simultaneously as a solution to a budget problem a response to declining enrollments and a chance to purge bad schools that were dragging down the whole system the plan was met with a roar of protest from parents students and teachers But if these schools were so bad why did people care so much about keeping them open to the point that some would even go on a hunger strike Ewing s answer begins with a story of systemic racism inequality bad faith and distrust that stretches deep into Chicago history Rooting her exploration in the historic African American neighborhood of Bronzeville Ewing reveals that this issue is about much more than just schools Black communities see the closing of their schools schools that are certainly less than perfect but that are theirs as one more in a long line of racist policies The fight to keep them open is yet another front in the ongoing struggle of black people in America to build successful lives and achieve true self determination

Political Black Girl Magic Sharon D. Wright Austin,Pearl K. Dowe,2023-06-02 Examines the experiences of Black female mayors in the contexts of their campaigns and of their governance seeking to understand how race gender or the combination of both have affected them and to identify the most significant obstacles Black women have faced as mayors and mayoral candidates
