Thresholds: A 'Complete' Table of the Borrowings in Yambo Ouologuem's Le Devoir de violence, and Why They Matter Christopher L. Miller, 2024-06-19 Recent research has revealed that the borrowings in Yambo Ouologuem's epochal novel Le Devoir de violence Bound to Violence are far more extensive than was previously thought Accused of plagiarism Ouologuem quit the Parisian literary world and returned to a definitive silence in Mali This book attempts to provide both a complete table of the borrowings in Le Devoir de Violence and a new theory of their meaning Miller dispels the myth that the borrowings are minor negligible or criminal he argues that they are artful thresholds openings to a profound reconsideration of African history Ouologuem set up this system of borrowings as a way to invite readers down unexpected paths of meaning The borrowings are not mere stunts they are inseparable from Ouologuem's radical revision of African history and his rejection of Negritude The table of borrowings in part three of this book will serve as a resource for readers and scholars

The Ordinary Acrobat Duncan Wall, 2013-02-26 The extraordinary story of a young man's plunge into

the unique and wonderful world of the circus taking readers deep into circus history and its renaissance as a contemporary art form and behind the tented walls of France's most prestigious circus school When Duncan Wall visited his first nouveau cirque as a college student in Paris everything about it the monochromatic costumes the acrobat singing Simon and Garfunkel the juggler reciting Proust was captivating Soon he was waiting outside stage doors eagerly chatting with the stars and attending circuses two or three nights a week So great was his enthusiasm that a year later he applied on a whim to the training program at the cole Nationale des Arts du Cirque and was to his surprise accepted Sometimes scary and often funny The Ordinary Acrobat follows the occasionally literal collision of one American novice and a host of gifted international students in a rigorous regimen of tumbling trapeze juggling and clowning Along the way Wall introduces readers to all the ambition beauty and thrills of the circus's long history from hardscrabble beginnings to Gilded Age treasures and from twentieth century artistic and economic struggles to its brilliant reemergence in the form of contemporary circus most prominently through Cirque du Soleil Readers meet figures past the father of the circus Philip Astley the larger than life P T Barnum and present as Wall seeks lessons from innovative masters including juggler Jerome Thomas and clown Andr Riot Sarcey As Wall learns not everyone is destined to run away with the circus but the institution fascinates just the same Brimming with surprises outsized personalities and plenty of charm The Ordinary Acrobat delivers all the excitement and pleasure of the circus ring itself **American Book Publishing Record** ,2000-07 *Women in Academia* Codesria,2000

The struggle for gender equality within academic life continues to meet strong resistance and African campuses are no exception In the one area where women should be able to command respect and equality the day to day reality of female academics is one of antagonism difficulty and even physical and mental harassment Academic freedom in Africa has attracted much recent attention But few examinations of the subject have incorporated a gender analysis Drawing on the experiences of women from Cameroon Egypt Malawi Mauritania Nigeria Senegal Tanzania and Uganda this ground breaking book examines in detail the realities of academic life Choice in curricula underfunding promotion relations with other staff and pay conditions are just a few of the critical issues explored **Oscar Wilde's Plagiarism** Florina Tufescu,2008 Oscar Wilde's plagiarism practices across genres are seen as part of a neo classical tradition His allegory of plagiarism in An Ideal Husband is compared to those created by fellow playwrights including Ibsen and G B Shaw Wilde's polemical imitation of Shakespeare's cut and paste method in The Portrait of Mr W H inspires Joyce to experiment with the erasure of quotation marks in Ulysses The blatant collage of Wilde's poetry anticipates T S Eliot's The Waste Land just as it recalls Manet's paintings which provocatively assert artistic status by drawing attention to their flatness The mosaic like structure of The Picture of Dorian Gray is akin to that of other anti individualist masterpieces notably Goethe's Faust and D M Thomas's The White Hotel The extent of sophisticated plagiarism in the canonical works and the impressive list of its apologists from Ackroyd to Zola indicate the need for new models of authorship and intellectual property models that would benefit scholarly and artistic

creativity and solve the paradox of plagiarism as simultaneously one of the most serious and most common of literary crimes
