Raising Our Hands Jenna Arnold, 2020-06-16. White women are one of the most influential demographics in America; we are the largest voting bloc with purchasing power that exceeds anybody else's, and when we unify to demand change, we are a force to be reckoned with. Yet so many of us sit idly on the sidelines, opting out of raising our hands to do, learn, and engage in ways that could make a difference. Why? White American women are no monolith. Yet as Women's March national organizer Jenna Arnold has learned over the past few years, crisscrossing the US in conversations with white women about their identity and role in the country, we do possess common characteristics, ones that get in the way of us becoming more engaged as citizens. We're so focused on checking off our to-do lists or so afraid of getting it wrong or so busy trying to avoid conflict that we are actively avoiding the urgent conversations we need to have. We are confused about how we got here and unsure how to do better. Raising Our Hands is the reckoning cry for white women. It asks us to step up and join the new frontlines of the fight against complacency in our homes, in our behaviors, and in our own minds. Consider Raising Our Hands your starting place, your Intro to Being a White Woman in Today's World, freshman year class. In these pages, Jenna peels back the history that's been kept out of textbooks and the cultural norms that are holding us back so we can finally start really listening to marginalized voices and doing our part to promote progress. The American white woman is a powerful force, an essential participant to mobilize alongside the rest of humanity on behalf of the world, and we can no longer make excuses for why we don't have time or don't know enough. *Human Values and Professional Ethics* Mr. Rohit Manglik, 2023-06-23. ### **Trouble For Hire Box Set** Cynthia

Eden, 2023-03 The Trouble For Hire romance series features hot former military heroes and these guys truly are the best kind of trouble. All of the books are stand alones with guaranteed happy endings. Danger, romance, action, suspense, humor. Oh, it's definitely time to find some trouble. The set includes NO ESCAPE FROM WAR, DON'T PLAY WITH ODIN, JINX YOU'RE IT, and REMEMBER RAMSEY. NO ESCAPE FROM WAR Book 1: Warren War. Channing finally has the chance to nail his beautiful lying ex. Turns out the woman who shattered his heart beneath her high-heeled shoes is wanted for murder. She's on the run, and he is just the man to hunt her down and toss her into the nearest cell. Rose Shadow has cracked the story of a lifetime. She's uncovered a brutal serial killer who has been hiding in the shadows; only now she is his next target. The cops think she's involved in the string of murders because maybe her DNA had been at a crime scene and maybe she'd been spotted by witnesses at another location, but Rose is a reporter, not a killer. But with War on her trail, she's out of time and options. War is former special ops. He's the best PI in town. And he's the man who gave her more pleasure than should be legal. Too bad that he's also the man who hates her the most. DON'T PLAY WITH ODIN Book 2: Odin Shaw thought he'd spend his life on a battlefield. But fate had other plans, and now the former Special Forces operative has just landed a new job at his best friend's PI office. It's one hell of a life change, and the giant Viking is trying to adjust fast, but then she walks into his life. Maisie Bright wants to hire Odin. She needs him to help her find proof, irrefutable evidence that her next-door neighbor is a serial killer. Odin figures the case will be a snap. He'll prove that Maisie's neighbor is most definitely not a serial killer. He'll score some extra cash for the PI firm and maybe even score some points with the lovely but obviously way too crime enthusiast, obsessed Maisie. Piece of cake. But as they dig deeper into the disappearances that have plagued the town for the last year, Odin begins to suspect that Maisie may be dead right. He also realizes that he is falling for a woman who now seems to be the target of a killer. JINX YOU'RE IT Book 3: Jinx lives for his good times. With a ready smile and quick joke, his charm carries him through most rough situations. And when his grin doesn't work, he just uses the down and dirty skills he acquired working Special Forces to get the job done. Life is easy; his luck is perfect, and nothing will slow him down. Except maybe her. Alison Ali Carter does not have time for handsome playboys, not even the ones with killer blue eyes and abs that last for days. Sure, she might have given in just one time, and let her desire for Jinx take over, but she is not about to repeat that mistake, no matter how great the night was. But when trouble follows Ali to the Gulf Coast, Jinx proves to be an unlikely hero as he leaps into action. This time it's not about being lucky. This time it's about protecting Ali, and maybe just maybe winning her heart. REMEMBER RAMSEY Book 4: Second chances and happily ever after endings aren't meant for men like Ramsey Hyde. He's a criminal mastermind, a cold-blooded heartbreaker, and certainly no one's idea of a dream guy. Except once upon a time, this heartbreaker lost his heart. Dr. Whitney Augustine is considered by many to be one of the luckiest women in the world. She survived an attack that should have killed her. But her miraculous rescue came with a twist: she lost the memory of the last six

months of her life Whitney thought that when she returned to her home her memories would follow Unfortunately they didn't  
And the secret to her past To all of those long nights that she just can't remember Well Ramsey is the key he's the one who
