and often silenced gave her the insight to investigate why that was and how to help women overcome this centuries old issue With warmth and humour Rodenburg interrogates Shakespeare s texts and his presentation of female characters develops the notion of rhetoric in relation to the female voice and applies concepts explored in her previous books including *The Three Circles of Energy* And perhaps most crucially through arguing that power and voice are directly linked to breath Rodenburg makes the case that Western society s oppression of women has diminished their natural ability to breathe Exploring the female voice through practical exercises and stories from the front line as well as profoundly personal and formative experiences from her own life Rodenburg defines the art of accessing the voice within and reclaiming the woman s right to speak *The Woman s Voice* is also available in audiobook format from audiobook retailers

THE GOSPEL OF JOHN

Original Version - Volume I translated by James David Audlin, 2014-02 The only narrative about Jesus by eyewitnesses this is also one of the world s greatest literary works The unfinished text was spirited off to Sinope when the author was sent into exile Even there the hand of Rome nearly destroyed it Rescued 35 years later the author s spiritual heirs published it While in Sinope some pages got lost or disordered After publication various editors changed the manuscript repeatedly to suit the changing doctrines of early Christianity even adding spurious new material Thus the standard text is an inspiring mess but still a mess This translation restores not the unfinished original text but the masterpiece the author sought to compose a first hand account of a real man sent to urge humanity to accept God s will set down before doctrine repackaged him as an incarnate deity Volume One contains the carefully restored text and a history of the gospel Volume Two includes commentaries that burnish this masterpiece for the modern reader

Get Real! Fighting the Mythic Woman Finding Your Authentic Self Ananya S. Rajan,2010-08-13 Get Real is a book for all women from all walks of life It s basic premise is that women are more than just the roles they play However the myths and messages passed on to us by our families the institutions we are involved in and society often restrict us from thinking for ourselves finding out who we are and in turn living a more fulfilling life By maintaining certain standards for women society continues to promote the perfect woman otherwise known as the Mythic Woman and unknowingly we follow the Mythic Woman pattern because we know nothing else This book offers a new way to look at the lives we live and the messages we follow It also provides insightful exercises to help women start their journey toward discovering their authentic self The Da Vinci Hoax Carl E. Olson,Sandra Miesel,2004-01-01 Discusses the misconceptions and historical errors of The

Da Vinci Code while examining early Christian origins Gnosticism the role of Constantine in Christian history and the novel s accusations against the Catholic Church *Eden in Sumer on the Niger* Catherine Obianuju Acholonu,2014-01-06 EDEN IN SUMER ON THE NIGER provides archeological linguistic genetic and inscribed evidence of the West African origin of mankind language religion and civilization It provides multidisciplinary evidence of the actual geographical location in West

Africa of the Garden of Eden Atlantis and the original homeland of the Sumerian people before their migration to the Middle East By translating hitherto unknown pre cuneiform inscriptions of the Sumerians Catherine Acholonu and Sidney Davis have uncovered thousands of years of Africa's lost pre history and evidences of the West African origins of the earliest Pharaohs and Kings of Egypt and Sumer such as Menes and Sargon the Great This book provides answers to all lingering questions about the African Cavemen Igbos Esh Adamas Adites original guardians of the human races Who gave their genes for the creation of Homo Sapiens Adam and were the teachers in the First Age of the world Scoffing at Scripture Frank Bolger Kelly,2011-02 A former Roman Catholic Frank Bolger Kelly has long wondered why thinking humans as a whole in the 21st century have not yet been able to disenthral themselves from the demonstrable falsehoods and sectarian nonsense of organized religion A few years ago Kelly decided to sit down with the sacred scriptures of several of the world's major religions the alleged bedrocks of these various creeds in a last ditch effort to achieve holy inspiration Instead he became wholly disenchanted and Scoffing at Scripture A Commoner Reads the World's Holy Writ and Rejects Traditional Religion is the result Far from representing that all elusive Word of God creedal scripture the world over it seems to Kelly merely cloaks the tribal agendas and cultural designs of the world's priestly and virtually allmale elites With the general reader in mind the author has grouped together a series of compact discussions of religion and scripture for cross cultural comparative reference Kelly's intent is to facilitate critical analysis of the world's holy writ and in particular to encourage younger skeptical readers of a secular mind to confront the doctrinal scriptural and ritual absurdities of those faiths into which they were born and continue to be indoctrinated Frank Bolger Kelly grew up in an Irish Catholic family in the Bronx New York matriculated to a noted Jesuit college in New England and subsequently did time at a prestigious non sectarian institution of higher learning in the Midwest It was during his enlightening time at the latter that Kelly first began seriously to question not only his own religious upbringing but the scriptural bases of all the world's major religions Kelly was quickly convinced that the vast majority of the faithful the world over commoners like himself just might reconsider their religious roots and motivations in a new light if they actually bothered to immerse themselves for a time in their own sacred scriptures rather than merely fake familiarity with them Actually to read scripture in all its antiquated tendentious sectarian absurdity Kelly reasoned is to take a first giant step in renouncing irrational creeds of all kinds Thus was born Scoffing at Scripture A Commoner Reads the World's Holy Writ and Rejects Traditional Religion a book from which the author hopes the open minded reader will draw a secularly pure spiritual sustenance Timelines of American Women's History Sue Heinemann,1996 Spanning five hundred years of American history this definitive reference provides an incisive look at the contributions that women have made to the social cultural political economic and scientific development of the United States Original Contemporary Paganism C. Barner-Barry,2005-03-01 This book explores the legal bias in the United States against Paganism and other non Christian religions Despite being one of the most religiously diverse countries in the world

the U S legal system developed when the population was predominantly Christian Built into the law is the tacit assumption that all religions and religious practices resemble Christianity Using the Pagans as a case study Barner Barry shows how their experiences demonstrate that both the law affecting nondominant religions and the judiciary that interprets this law are significantly biased in favor of the dominant religion Christianity This creates legal problems as well as problems of intolerance for religions with significantly different practices Special attention is given to a series of Supreme Court decisions interpreting the Freedom of Religion Clause in terms of neutrality and interpreting the Establishment Clause loosely and its impact on nondominant religions in the US
