*Mr. Gabe* Hershel Marise,2022-07-19 This book I pray expresses that the suffering a child endures because of a traumatic childhood does not have to be the determining factor in deciding the outcome of our lives The kind of life trauma a child or anyone goes through should not in any way determine their ability to overcome these traumas and have a productive adult life It is my belief that with a great Creator God and his divine intervention in our lives we as his children will be carried through life s traumatic experiences It is my belief that I and all of humankind were created for a great purpose The writing of this book or its purpose is not to gather sympathy but the opposite to explain that an individual does not have to allow their childhood or economic environment to set the standard for the rest of their lives In my childhood I attempted to subconsciously close myself off mentally or emotionally from what was occurring This denial allowed me a way of surviving through early life I called out to God the great Creator for help and guidance many times Without the help and the great love of God these traumas would probably have killed me from the shock From an early age and throughout my adult life I ve had to find ways to deal with my traumatic past With God and a drifter named Mr Gabe who showed up at all the right times like a guardian angel who seemed to know a lot about the same God my grandmother talked about I did survive throughout these traumas and have lived a relatively good life and achieved challenges that could only have been possible with God s love
