When The Facts Change Essays 1995 2010:

When the Facts Change Tony Judt, 2015 In an age in which the lack of independent public intellectuals has often been sorely lamented the historian Tony Judt played a rare and valuable role bringing together history and current events Europe and America what was and what is with what should be In When the Facts Change Tony Judt's widow and fellow historian Jennifer Homans has assembled an essential collection of the most important and influential pieces written in the last fifteen years of Judt's life the years in which he found his voice in the public sphere Included are seminal essays on the full range of Judt's concerns including Europe as an idea and in reality before 1989 and thereafter Israel the Holocaust and the Jews American hyperpower and the world after 9 11 and issues of social inclusion and social justice in an age of increasing inequality Judt was at once most at home and in a state of what he called internal exile from his native England from Europe and from America and he finally settled in New York between them all He was a historian of the twentieth century acutely aware of the dangers of ethnic exceptionalism and if he was shaped by anything it was the Jewish past and his own secularism His essays on Israel ignited a firestorm debate for their forthright criticisms of Israeli government policies relating to the Palestinians and the occupied territories Those crucial pieces are published here in book form for the first time including an essay never previously published called What Is to Be Done These pieces are suffused with a deep compassion for the Israeli dilemma a compassion that instilled in Judt a sense of responsibility to speak out and try to find a better path away from what he saw as a road to ruin When the Facts Change also contains Judt's homages to the culture heroes who were some of his greatest inspirations Amos Elon Fran ois Furet Leszek Kolakowski and perhaps above all Albert Camus who never accepted the complacent view that the problem of evil couldn't lie within us as well as outside us Included

When the Facts Change Tony Judt, 2015-01-22 In an era of growing anti intellectualism Judt's essays remind us of what we gain when we stick fast to high ethical and intellectual standards and what is lost when we let them slip Mark Mazower Financial Times Scintillating journalism This collection is a reminder of Judt's clear mind and prose and as Homans says in her lovely introduction his fidelity to hard facts and to honest appraisal of the modern scene Samuel Moyn The New York Times Book Review In an age in which the lack of independent public intellectuals has often been sorely lamented the historian Tony Judt played a rare and valuable role bringing together history and current events Europe and America what was and what is with what should be In When the Facts Change Tony Judt's widow and fellow historian Jennifer Homans has assembled an essential collection of the most important and influential pieces written in the last fifteen years of Judt's life the years in which he found his voice in the public sphere Included are seminal essays on the full range of Judt's concerns including Europe as an idea and in reality before 1989 and thereafter Israel the Holocaust and the Jews American hyperpower and the world after 9 11 and issues of social inclusion and social justice in an age of increasing inequality Judt was at once most at home and in a state of what he called internal exile from his native England from Europe and from America and he finally settled in New York between them all He was a historian of the twentieth century acutely aware of the dangers of ethnic exceptionalism and if he was shaped by anything it was the Jewish past and his own secularism His essays on Israel ignited a firestorm debate for their forthright criticisms of Israeli government policies relating to the Palestinians and the occupied territories Those crucial pieces are published here in book form for the first time including an essay never previously published called What Is to Be Done These pieces are suffused with a deep compassion for the Israeli dilemma a compassion that instilled in Judt a sense of responsibility to speak out and try to find a better path away from what he saw as a road to ruin When the Facts Change also contains Judt's homages to the culture heroes who were some of his greatest inspirations Amos Elon Fran ois Furet Leszek Kolakowski and perhaps above all Albert Camus who never accepted the complacent view that the problem of evil couldn't lie within us as well as outside us Included

here too is a magnificent two part essay on the social and political importance of railway travel to our modern conception of a good society as well as the urgent text of What Is Living and What Is Dead in Social Democracy the final public speech of his life delivered from a wheelchair after he had been stricken with a terrible illness and a tender and wise dialogue with his then teenage son Daniel about the different outlooks and burdens of their two generations To read When the Facts Change is to miss Tony Judt s voice terribly but to cherish it for what it was and still is a wise human deeply informed view on our most pressing concerns delivered in good faith

Liberalism and the Postcolony Lisandro E. Claudio,2017-03-24 Extricating liberalism from the haze of anti modernist and anti European caricature this book traces the role of liberal philosophy in the building of a new nation It examines the role of toleration rights and mediation in the postcolony Through the biographies of four Filipino scholar bureaucrats Camilo Osias Salvador Araneta Carlos P Romulo and Salvador P Lopez Lisandro E Claudio argues that liberal thought served as the grammar of Filipino democracy in the 20th century By looking at various articulations of liberalism in pedagogy international affairs economics and literature Claudio not only narrates an obscured history of the Philippine state he also argues for a new liberalism rooted in the postcolonial experience a timely intervention considering current developments in politics in Southeast Asia

Reading the Nineteenth-Century Medical Journal Sally Frampton,Jennifer Wallis,2020-12-18 This book explores medical and health periodicals of the nineteenth century their contemporary significance their readership and how historians have approached them as objects of study From debates about women doctors in lesser known titles such as the Medical Mirror to the formation of professional medical communities within French and Portuguese periodicals the contributors to this volume highlight the multi faceted nature of these publications as well as their uses to the historian Medical periodicals far from being the preserve of doctors and nurses were also read by the general public Thus the contributions collected here will be of interest not only to the historian of medicine but also to those interested in nineteenth century periodical culture more broadly The chapters in this book were originally published as a special issue of the journal Media History

Israelis and Palestinians Jonathan Glover,2023-12-19 Can Israelis and Palestinians end their long conflict The shocking violence of current events undermines hope as does the long history of peace deals sabotaged by extremists on both sides In this compelling and timely book the eminent moral philosopher Jonathan Glover argues that one vital step towards progress is to better understand the disturbing psychology of the cycle of violence Glover explores the psychological flaws that entrap both sides the urge to respond to wounds or humiliation with backlash political or religious beliefs held with a rigidity that excludes compromise and people s identity being shaped by the conflict in ways that make it harder to imagine or even desire alternatives Drawing on the history of comparable conflicts that eased over time Glover proposes some ways to gradually weaken the grip of this psychology Completed as casualties mounted in the latest political and humanitarian crisis Israelis and Palestinians is essential reading for anyone concerned by the ongoing violence in the Middle East Also available as an audiobook

Thinking of Questions

Peter Limm,2015-09-23 This is not a conventional book It is designed to stimulate and challenge all people who are curious to find out about the world they inhabit and their place within it It does this by suggesting questions and lines of questioning on a wide range of topics The book does not provide answers or model arguments but prompts people to create their own questions and a reading log or journal To this end almost all questions have a list of books or articles to provide a starter for stimulating further reading Once you start you will be hooked Never stop questioning *The Dynamics of Entrepreneurial Contexts* Ulla Hytti,Robert Blackburn,Silke Tegtmeier,2018-02-23 Context is everything in entrepreneurship research This book compellingly demonstrates the ways in which the distinctive European cultural societal and geographic environments enable research into new entrepreneurial phenomena It also gives guidance as to how future research should endeavour to understand the influences of context *An Analysis of Tony Judt's Postwar* Simon Young,2017-07-05 Tony Judt was born in London in 1948 but spent most of his career in America He studied history at Cambridge and then earned his doctorate in France His first major writings were about France s historical left wing movements particularly the French Socialist Party

Apocalypse in Crisis Christopher Palmer,2021-10-15 Apocalypse is traditional and familiar and it is an actual threat it is feared desired and banal Apocalypse in Crisis discusses fictions from the 1940s to the present examining shifts in the imagination of apocalypse from the postwar British disaster novels through novels of the countercultural sixties feminist interventions and recent revisions and critiques As empire fades ideas of sexuality shift and attitudes to nature and to the city change so apocalyptic fictions change The individual subject is asserted immolated transcended abandoned individual deaths are substituted for mass death death is faked or erased The subjects and survivors of catastrophe set about re establishing civilization or they abandon it finding new ways of being and of dying they respond to it when it comes from outside as an invasion or they are immersed in it as it shifts from being an event to being a condition They flee the city for the country or accept that they must draw on the energies of the world city in order to survive The book includes detailed discussion of novels by H G Wells George M Stewart Nevil Shute John Wyndham Arthur C Clarke J G Ballard Brian Aldiss Doris Lessing Angela Carter Anna Kavan Arno Schmidt Anthony Burgess Ursula K Le Guin Tom Perrotta Douglas Coupland Don DeLillo China Mi ville Jeff VanderMeer and Kim Stanley Robinson **The Dismantling of Japan's Empire in East Asia** Barak Kushner,Sherzod Muminov,2016-12-08 The end of Japan s empire appeared to happen very suddenly and cleanly but as this book shows it was in fact very messy with a long period of establishing or re establishing the postwar order Moreover as the authors argue empires have afterlives which in the case of Japan s empire is not much studied This book considers the details of deimperialization including the repatriation of Japanese personnel the redrawing of boundaries issues to do with prisoners of war and war criminals and new arrangements for democratic political institutions for media and for the regulation of trade It also discusses the continuing impact of empire on the countries ruled or occupied by Japan where as a result of Japanese management and administration both formal and informal patterns of behavior and attitudes were established that continued

subsequently This was true in Japan itself where returning imperial personnel had to be absorbed and adjustments made to imperial thinking and in present day East Asia where the shadow of Japan's empire still lingers This legacy of unresolved issues concerning the correct relationship of Japan an important energetic outgoing nation and a potential regional hub with the rest of the region not comfortably settled in this era remains a fulcrum of regional dispute The Totalitarian Legacy of the Bolshevik Revolution Alexander Riley, Alfred Kentigern Siewers, 2019-06-18 In this collection world renowned scholars of Bolshevism and world communism analyze the human costs of the Bolshevik Revolution its contribution to the spread of totalitarianism and the responses it inspired among American and Western intellectuals Together their essays constitute a profound refusal of the poesy of totalitarianism that is based on sober research and detailed analysis of the limits of utopian politics and the dangers of cruel ideologies based in the cosmetic aesthetic of moral perfectionism and lyric intoxication This study provides an accurate and succinct depiction of the nature of Bolshevism and its consequences in light of several decades of research including former Soviet archival materials and American intelligence such as the Venona files

Corporate Governance, The Firm and Investor Capitalism Alexander Styhre, 2016-10-28 The shift from managerial capitalism to investor capitalism dominated by the finance industry and finance capital accumulation is jointly caused by a variety of institutional legal political and ideological changes beginning with the 1970s downturn of the global economy This book traces how the incorporation of businesses within the realm of the state leads to both certain benefits characteristic of competitive capitalism and to the emergence of new corporate governance problems emerges Contrasting economic legal and managerial views of corporate governance practices in contemporary capitalism the author examines how corporate governance has been understood and advocated differently during the New Deal era the post World War II economic boom and the after 1980 in the era of free market advocacy *In the Dragon's Shadow* Sebastian Strangio, 2020-08-07 A timely look at the impact of China's booming emergence on the countries of Southeast Asia Today Southeast Asia stands uniquely exposed to the waxing power of the new China Three of its nations border China and five are directly impacted by its claims over the South China Sea All dwell in the lengthening shadow of its influence economic political military and cultural As China seeks to restore its former status as Asia's preeminent power the countries of Southeast Asia face an increasingly stark choice flourish within Beijing's orbit or languish outside of it Meanwhile as rival powers including the United States take concerted action to curb Chinese ambitions the region has emerged as an arena of heated strategic competition Drawing on more than a decade of on the ground experience Sebastian Strangio explores the impacts of China's rise on Southeast Asia the varied ways in which the countries of the region are responding and what it might mean for the future balance of power in the Indo Pacific *The Psychology of Organizations and Workplace Issues* Bernd Huppertz, 2023-12-11 The Psychology of Organizations and Workplace Issues Resolving Everyday Conflicts introduces theories about the psychic life of organizations It differentiates and clarifies both the objective structural elements and the subjective emotional elements The objective part

involves the conditions emerging from the describable features of the organization The subjective perspective addresses the often more hidden emotional influences and manifestations in the organization this will be amplified by what is now termed the psychology and social psychology of organizations Contributions from leading authors in the field will cover the following themes the organization in the tension field of psychic life and as a field of emotional experiences individual and group unconscious regular and irregular psychological processes and their influence on daily work functions organization s environment specific concepts of the psychology of organizations organizations and workplace issues social sciences and social psychology This book is written for everyone interested in the field of organizations It shows how psychological processes occur in organizations and how they cast their influence throughout

Transitional Justice for Foxes Frank Haldemann,2022-12-08 There is a memorable line by ancient Greek poet Archilochus The fox knows many things but the hedgehog knows one big thing Drawing on this metaphor made popular by Isaiah Berlin this book sets out to think like a fox about transitional justice in an intellectual environment largely dominated by hedgehogs Critical of the unitary hedgehog like vision underlying mainstream discourse this book proposes a pluralist reading of the field It asks What would it mean for transitional justice to constructively deal with conflicts of values and interests in societies grappling with a violent past And what would it imply to make meaningful room for diversity to see the many rather than just the one

Nordic War Stories Marianne Stecher-Hansen,2021-02-03 Situated on Europe s northern periphery Denmark Finland Iceland Norway and Sweden found themselves caught between warring powers during World War II Ultimately these nations survived the conflict as sovereign states whose wartime experiences have profoundly shaped their historiography literature cinema and memory cultures Nordic War Stories explores the commonalities and divergences among the five Nordic countries examining national historiographies alongside representations of the war years in canonical literary works travel writing and film media Together they comprise a valuable companion that challenges the myth of Scandinavian homogeneity while demonstrating the powerful influence that the war continues to exert on national identities

South Korea's 70-Year Endeavor for Foreign Policy, National Defense, and Unification Sung-Wook Nam,Sang-Woo Rhee,Myongsob Kim,Young-Ho Kim,Yong-Sub Han,Young-Soon Chung,Seong-Ok Yoo,2018-10-16 This book brings Korea s finest foreign policy minds together in contemplating the risks and rewards of finally ending the 70 year stalemate between North and South Korea through reunification While North Korea is in conflict with the United States over denuclearization and regime security the South Korean government is focusing on economic development preparing for the day when the two Koreas are unified This book will help scholars activists and policy makers from all over the world systematically understand the current diplomatic and security issues in the Korean peninsula

America in the World from Truman to Biden Simon Serfaty,2021-10-30 Does America still count in the world Can the world still count on America In raising such questions halfway into a series of systemic shocks that began in September 2001 Simon Serfaty a long time scholar of international politics reminds Americans

that their country's well being and that of the world are intertwined Play it again Sam History is in a foul mood again and this is no time to come home and leave behind an unfinished European Union facing the ghosts of a revanchist Russia still claiming the Old World as its own a strategic dark hole in the Greater Middle East on the eve of a global Sarajevo moment and China's surging hegemonic power in a continent fraught with too much history and too little geography Admittedly what is good for America may no longer be best for all the West and what is good for the West may no longer be good for much of the Rest the unipolar moment is irreversibly over Yet writing in an elegant style and with much historical insight Serfaty argues that even with the old power map irreversibly gone mainly to the benefit of the non Western world a new world order for the twenty first century will remain dependent on the U S role its capabilities and its efficacy as well as its leadership and its purpose

Ideology and Form in Yan Lianke's Fiction Haiyan Xie, 2023-02-10 Xie analyzes three novels by the international award winning Chinese writer Yan Lianke and investigates how his signature mythorealist form produces textual meanings that subvert the totalizing reality prescribed by literary realism The term mythorealism which Yan coined to describe his own writing style refers to a set of literary devices that incorporate both Chinese and Western literary elements while remaining primarily grounded in Chinese folk culture and literary tradition In his use of mythorealism carrying a burden of social critique that cannot allow itself to become political Yan transcends the temporality and provinciality of immediate social events and transforms his potential socio political commentaries into more diversified concerns for humanity existential issues and spiritual crisis Xie identifies three modes of mythorealist narrative exemplified in Yan's three novels the minjian folk mode in Dream of Ding Village the allusive mode in Ballad Hymn Ode and the enigmatic mode in The Four Books By positioning itself against an ambiguous articulation of social determinants of historical events that would perhaps be more straightforward in a purely realist text each mode of mythorealism moves its narrative from the overt politicality of the subject matter to the existential riddle of negotiating an alternative reality A groundbreaking study of one of contemporary China's most important authors that will be of great value to scholars and students of Chinese literature

Carbon Blues Mike Mason, 2020-04-16 Climate change is the most serious crisis of our time As history is being written in fire in California and Greece in the warming waters of the Gulf of Mexico and in the melting ice of the Arctic and Antarctica Carbon Blues demystifies current debates on climate change discussing everything from carbon dioxide increases in the atmosphere caused by cars coal and oil to global warming and worsening natural disasters A detailed examination of the history of climate change and its present and future consequences Carbon Blues traces the essential economic importance of coal in the nineteenth century and oil in the twentieth emphasizing the role of the automobile and the internal combustion engine in the dereliction of our planet Exposing campaigns to mislead the public Mike Mason reveals that the fatal consequences of CO2 and NO2 have been widely known for decades but successfully discounted and manipulated by the carbon lobby led by Exxon BP figures such as the Koch brothers and democratically elected governments The book

underlines the disturbing truth that despite current attempts to remediate climate change the harm already done melting polar ice and the warming and rising of the seas will be virtually irreversible As the fight against climate change comes to a head Carbon Blues searches for fruitful ways forward

Decoding **When The Facts Change Essays 1995 2010**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**When The Facts Change Essays 1995 2010**," a mesmerizing literary creation penned by a celebrated wordsmith, readers set about an enlightening odyssey, unraveling the intricate significance of language and its enduring affect our lives. In this appraisal, we shall explore the book is central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.

When The Facts Change Essays 1995 2010 Introduction

In today's digital age, the availability of When The Facts Change Essays 1995 2010 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of When The Facts Change Essays 1995 2010 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of When The Facts Change Essays 1995 2010 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing When The Facts Change Essays 1995 2010 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, When The Facts Change Essays 1995 2010 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing When The Facts Change Essays 1995 2010 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for When The Facts Change Essays 1995 2010 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions

of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, When The Facts Change Essays 1995 2010 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of When The Facts Change Essays 1995 2010 books and manuals for download and embark on your journey of knowledge?
