system *Environmental Resilience* Percy Toriro, Innocent Chirisa, 2021-05-21 This book discusses the production distribution regulatory and management frameworks that affect food in urban settings It plugs a gap in knowledge especially in the sub Saharan Africa region where food despite its critical importance has been ignored as a determinant of success in the planning and management of cities and towns The various chapters in the book demonstrate how urban populations in Zimbabwe and elsewhere have often devised ways to produce own food to supplement on their incomes Food is produced largely by way of urban agriculture or imported from the countryside and sold in both formal and informal stores and stalls The book shows how in spite of the important space food occupies in the lives of all city residents the planning and regulatory framework does not facilitate the better performance of food systems **Culture, Schooling, and Children's Learning**

Experiences ,2024-08-08 As countries experience increasing cultural diversity both within and between their borders contemporary researchers are exploring the connection between culture and children s learning and academic experiences One important goal is to provide all children with educational experiences that are culturally sensitive relevant and effective in helping them reach their maximum potential and preparing them for the future With over twenty five contributing authors this volume investigates the connection between culture and children s schooling and learning experiences from multidisciplinary perspectives diverse methodologies and cross cultural and culture specific approaches The common thread running through the chapters is the understanding that learning is an activity that takes place within cultural contexts Together the chapters highlight the forces that shape children s everyday learning experiences Core themes address how parental beliefs and cultural ways of learning and problem solving shape children s learning experiences and social interactions with teachers the importance of quality early childhood education and playful learning to children s school success and development and how the complex intersection of cultural variables with forces such as historical injustice social and educational inequality economic stability and political ideologies shape children s learning The volume honors the experiences of Indigenous newcomer first generation children and children of underrepresented communities and highlights the vital role that policy makers teacher educators schools and classroom educators play in helping all children reach their academic and social potential **The Bloomsbury Handbook of Schools and Religion** Jo Fraser-Pearce, James W.

Fraser, 2023-09-21 The Bloomsbury Handbook of Schools and Religion provides the first truly global scan of contemporary issues and debates around the world regarding the relationship s between the state schools and religion Organized around specific contested issues from whether or not mindfulness should be practised in schools to appropriate and inappropriate religious attire in schools to long term battles about evolution sexuality and race to public funding Fraser Pearce and Fraser carefully curate chapters by leading experts exploring these matters and others in a diverse range of national settings The Bloomsbury Handbook of Schools and Religion offers a refreshingly new international perspective *Why History*

Education? Joanna Wojdon, 2023-03-15 The 2022 issue of JHEC is focused on the topic Why History Education addressing the

sense of history education in contemporary world where it has to assert itself in the field of tension of power economy and society and to engage in the dialogue with the growing field of public history Perspectives from Austria Germany Israel Poland South Africa Ukraine and Zimbabwe are included The highlight of the Varia section is the article on Plannungsmatrix where Alois Ecker presents his innovative tool for designing teaching modules that skillfully combine first and second order historical concepts in the course of dialogical interaction between educator and students Effective Mentoring and Supervision for Best Practices Costain Tandi, Munyaradzi Mawere, Wilson Zivave, Pedzisai Goronga, Annah Moyo, 2025-07-17 This volume offers a profound exploration of mentorship within Zimbabwe's educational framework emphasising the crucial phase of work integrated learning It assembles the insights of distinguished educators researchers and practitioners committed to enhancing teacher training through effective mentorship and supervision Through thoughtfully crafted chapters the book examines best practices in mentorship underscoring the significance of robust teacher student relationships culturally responsive pedagogy teamwork and the synthesis of theoretical knowledge with practical application Each chapter delves into essential elements of effective supervision such as building trust providing constructive feedback and fostering an inclusive teaching learning environment that honours diverse cultural contexts The book provides valuable strategies to boost student engagement enhance instructional effectiveness and encourage reflective practice among emerging educators Additionally the volume presents innovative approaches for immersing trainee teachers in meaningful hands on experiences that connect classroom learning with real world application Featuring contributions from a diverse array of voices in the field this book serves as an indispensable resource for teacher trainees mentor teachers educational leaders and policymakers Its goal is to equip those involved in teacher training with the skills necessary to cultivate the next generation of educators thereby improving the quality of education throughout Zimbabwe More than a guide this volume is a clarion call for transformative mentorship that acknowledges the significant impact of effective supervision on the future of teaching and learning Sustainable Practices for Agriculture and Marketing Convergence Garwi, Jabulani, Masengu, Reason, Chiwaridzo, Option Takunda, 2024-03-07 In the agricultural industry factors such as environmental degradation resource constraints and climate change have left traditional agricultural practices inadequate in meeting the growing global food demand Simultaneously the marketing landscape is evolving rapidly due to technological advancements changing consumer preferences and the rise of online platforms Both agriculture and marketing are faced with the critical task of adapting and embracing sustainability in this ever changing environment Sustainable Practices for Agriculture and Marketing Convergence offers a comprehensive solution to these pressing issues This book is a practical blueprint for transforming the agricultural industry and revitalizing marketing strategies in the name of sustainability At its core the book aims to highlight the monumental significance of sustainable agriculture in mitigating the long standing environmental impacts of conventional farming methods It does so by presenting real world case studies and best practices inspiring and

motivating the widespread adoption of sustainable agriculture **Sustainable Development in Africa** Walter Leal Filho, Rudi Pretorius, Luiza Olim de Sousa, 2021-07-09 This book serves the purpose of documenting and promoting African experiences on sustainable development which encompasses both formal and non formal education Sustainable development is very important to Africa but there is a paucity of publication which documents and promotes experiences from African countries Due to their complexity the interrelations between social economic and political factors related to sustainable development especially at universities need to be better understood There is also a real need to showcase successful examples of how African institutions are handling their sustainability challenges It is against this background that this book has been produced It is a truly interdisciplinary publication useful to scholars social movements practitioners and members of governmental agencies and private companies undertaking research and or executing projects focusing on sustainability from across Africa As African nations strive to pursue the UN Sustainable Development Goals it is imperative to cater for the information needs seen across the continent and foster the dissemination of experiences and case studies which may support both on going and future efforts The scope of the book is deliberately kept wide and we are looking for contributions across the spectrum of sustainable development from business and economics to arts and fashion administration environment languages and media studies
