Zubi the Real Hebrew You Were Never Taught In School:

Zubi! Danny Ben Israel, 2011-02-22 How to talk dirty and influence people in Hebrew You can study Hebrew for years but do you really know how to talk like a native speaker The next book in Plume's foreign language series Zubi will make sure you learn all the colorful vernacular words and phrases for a variety of situations including insulting your neighbor flirting with the hot guy or girl at the club and even chatting online not to mention plenty of Hebrew words that are well best not to mention Accessible and useful to complete novices intermediate students of Hebrew or just anyone who enjoys cursing in other languages this irreverent guide is packed with hilarious examples and stories to acquaint the reader not only with popular terms but how they are used in everyday speech With clever illustrations Zubi covers it all from essential basics to the hottest new slang and proves that no language is too sacred

Modern Hebrew Norman Berdichevsky, 2016-03-21 Ben Yehuda's vision of a modern Hebrew eventually came to animate a large part of the Jewish world and gave new confidence and pride to Jewish youth during the most difficult period of modern history infusing Zionism with a dynamic cultural content This book examines the many changes that occurred in the transition to Modern Hebrew acquainting new students of the language with its role as a model for other national revivals and explaining how it overcame many obstacles to become a spoken vernacular The author deals primarily with the social and political use of the language and does not cover literature Also discussed are the dilemmas facing the language arising from the fact that Israelis and Jews in the Diaspora don't speak the same language while Israeli Arabs and Jews often do
