

Rocket Ship Pizza

DIRECTIONS

Make the Pizza

- 1 Plug in the Toy Story Pizza Maker to preheat.
- 2 Prepare the naan rocket ship. On a large table or clean surface area, slice the naan to make the body tube (or main body) of the rocket ship. Use the remaining naan to cut into 2 fin shapes. Place the left and right fins underneath the body tube.
- 3 Evenly cover the naan rocket ship (body tube and fins) with tomato sauce, leaving $\frac{1}{2}$ -inch border without any sauce. Kids can help with this part.
- 4 On the body tube piece of naan, evenly sprinkle the cheese and chopped cauliflower. Add an extra sprinkle of cheese where the fins meet the body tube to help them adhere.
- 5 On the two fins, evenly disperse the chopped sun-dried tomatoes and the one chopped red mini sweet pepper.
- 6 Once the Toy Story Pizza Maker light turns green and your rocket ship is ready to bake, carefully transfer the prepared rocket ship into the pizza maker. Bake for 3-7 minutes, or until the cheese is melted and the crust becomes golden brown.
- 7 Carefully remove the pizza and let cool, about 5 minutes. Once cooled, place the pizza on a large platter or cutting board. Arrange the remaining red, orange, and yellow mini sweet pepper strips under the pizza to form the rocket ship "blast-off."

Among those who played a crucial role in the breed's success were Librado and Alberto Beto Maldonado, master showmen of the King Ranch. A true bull whisperer, Librado Maldonado developed a method for gentling and training cattle that allowed him and his son Beto to show the Santa Gertrudis to their best advantage at venues ranging from the famous King Ranch auctions to a Chicago television studio to the Dallas Fort Worth airport. They even boarded a plane with the cattle en route to the International Fair in Casablanca, Morocco, where they introduced the Santa Gertrudis to the African continent. In *The Master Showmen of King Ranch*, Beto Maldonado recalls an eventful life of training and showing King Ranch Santa Gertrudis. He engagingly describes the process of teaching two thousand pound bulls to behave like gentlemen in the show ring, as well as the significant logistical challenges of transporting them to various high profile venues around the world. His reminiscences, which span more than seventy years of King Ranch history, combine with quotes from other Maldonado family members, co-workers, and ranch owners to shed light on many aspects of ranch life, including day to day work routines, family relations, women's roles, annual celebrations, and the enduring ties between King Ranch owners and the vaquero families who worked on the ranch through several generations. **Kiplinger's Personal Finance**, 1985-09 The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership, and many other personal finance topics. **History of Cheese, Cream Cheese and Sour Cream Alternatives (With or Without Soy) (1896-2013)**: William Shurtleff, Akiko Aoyagi, 2013-10-22 The world's most comprehensive, well documented and well illustrated book on this subject.
