Three Little Words Walker Family A Novella:

Three Little Words (Walker Family) Melissa Tagg, 2015-03-03 Ava Kingsley and Seth Walker might be the most unlikely friends ever. The only thing these two polar opposites have in common is a knack for wordsmithing. Back in college they were known for their written sparring in the campus newspaper's popular He Says She Says column. At their ten-year college reunion they pick up right where they left off. Except this time their squabbling leads to a surprising turn of friendship and a year-long exchange of emails. So when Ava approaches a crossroads in her athletics department career in Minnesota, Seth is quick to offer the open apartment above the restaurant he's been remodeling in Maple Valley, Iowa. Ava doesn't know where her career will lead her next, but she's starting to suspect she might see Seth as more than a pen pal. Which would be exciting, except for the fact that he only sees her as a friend. As Maple Valley grows on her, Ava wonders if there might be something here for her, even though Seth is unavailable. And maybe just maybe, after all the words the two of them have exchanged over the years, they'll finally be able to say the three that matter most. *Three Little Words* is an e-only novella that gives an exciting introduction to Melissa Tagg's new series about the charismatic Walker family and the endearing town of Maple Valley.

Like Never Before (Walker Family Book #2) Melissa Tagg, 2016-04-05 Sure to be a new favorite, Tagg's latest checks all the right boxes for romance fans. Maple Valley became Amelia Bentley's haven after her heart and her dreams of a family were shattered, but her new life as a newspaper editor is shaken when the paper is bought out by a chain that plans to incorporate it into a regional paper. After his biggest campaign success yet, speechwriter Logan Walker is approached to work on a presidential campaign. But he already lost his wife three years ago, and saying yes to the job means he'll see his young daughter even less. When Logan hears of a special election campaign in his hometown, helping out sounds like the perfect way to occupy himself while deciding what to do. When Amelia hears Logan is back in town, she begs him to lend his previous experience in the newspaper world to help turn her paper's numbers around in time. They may butt heads more than they expected, but a lead on a story that could help save the paper is just the start of the sparks that fly in the office and in their hearts.
