Revolutionary Threads Bobby Sullivan,2021-05-26 An American Rastafarian offers a vibrant examination of American and African history with an anti colonial patina engaging Kirkus Reviews Revolutionary Threads offers an American Rasta's retelling of episodes in American history with an anticolonial thrust accented by Bobby Sullivan's own personal experiences The book ties together various subjects while returning each time to the culture of Rastafari social justice movements and cooperative economics From how we perceive history in general America's precolonial past and global capitalism's early development and the resistance to it to political prisoners and a celebration of religious tolerance the book approaches North America with an African centric perspective Sullivan dispels the oversimplification of our perceptions of Rastafari as well as other cultures in the age of the Internet where the loudest voices are often the most extreme and divisive Revolutionary Threads aims to serve as a unifying agent for our all too connected global village and for the resistance to the consolidation of global capital and all its excesses A post hardcore rock star community activist and social justice intellectual offers an alternative look at countercolonial history through the lens of the Rastafari movement Kirkus Reviews Outlining his philosophical influences and backpacking through history and criss crossing continental borders Sullivan puts his enlightenment journey and way of life which includes activism for social justice prison outreach and cooperative economics on paper The Gleaner Jamaica Sullivan meticulously sources his work throughout whether providing a Howard Zinn like take on the settlement of America by Africans predating Columbus or in discussing political prisoners like Marilyn Buck an engaging lively well thought book which provides a picture of Rastafarianism in action for punks and beyond Razorcake

[Threads of Peace](#) Uma Krishnaswami,2022-08-16 A look at the lives of Gandhi and Martin Luther King Jr and how they were led to seek revolution through peace

C# 10 and .NET 6 - Modern Cross-Platform Development Mark J. Price,2021-11-09 Publisher's Note Microsoft will stop supporting NET 6 from November 2024 The newer 8th edition of the book is available that covers NET 8 end of life November 2026 with C 12 and EF Core 8 Purchase of the print or Kindle book includes a free PDF eBook Key Features Explore the newest additions to C 10 the NET 6 class library and Entity Framework Core 6 Create professional websites and services with ASP NET Core 6 and Blazor Build cross platform apps for Windows macOS Linux iOS and Android Book DescriptionExtensively revised to accommodate all the latest features that come with C 10 and NET 6 this latest edition of our comprehensive guide will get you coding in C with confidence You'll learn object oriented programming writing testing and debugging functions

implementing interfaces and inheriting classes The book covers the NET APIs for performing tasks like managing and querying data monitoring and improving performance and working with the filesystem async streams and serialization You ll build and deploy cross platform apps such as websites and services using ASP NET Core Instead of distracting you with unnecessary application code the first twelve chapters will teach you about C language constructs and many of the NET libraries through simple console applications In later chapters having mastered the basics you ll then build practical applications and services using ASP NET Core the Model View Controller MVC pattern and Blazor What you will learn Build rich web experiences using Blazor Razor Pages the Model View Controller MVC pattern and other features of ASP NET Core Build your own types with object oriented programming Write test and debug functions Query and manipulate data using LINQ Integrate and update databases in your apps using Entity Framework Core Microsoft SQL Server and SQLite Build and consume powerful services using the latest technologies including gRPC and GraphQL Build cross platform apps using XAML Who this book is for Designed for both beginners and C and NET programmers who have worked with C in the past and want to catch up with the changes made in the past few years this book doesn t need you to have any C or NET experience However you should have a general understanding of programming before you jump in **Blessings Beyond the Binary**

Nora Rubel,Brett Krutzsch,2024-09-13 Transparent made history as the first television show to feature a transgender character in the main role as the first streaming series to win the Golden Globe for Best Television Series and as in the words of journalist Debra Nussbaum Cohen the Jewiest show ever No television show in history has depicted the lives of American Jews with as much attention to Jewish rituals quirks or culture And no series has portrayed issues of gender and sexuality alongside Judaism with such nuance and depth making Transparent a landmark series in the history of television Blessings beyond the Binary brings together leading scholars to analyze and offer commentary on what scholar Josh Lambert calls the most important work of Jewish culture of the century so far The book explores the show s depiction of Jewish life religion and history as well as Transparent s scandals and criticisms and how it fits into and diverges from today s transgender and queer politics The first book to focus on Transparent Blessings beyond the Binary offers a rich analysis of the groundbreaking series and its connections to contemporary queer trans and Jewish life *American Exceptionalism and the Remains of Race*

Edmund Fong,2014-07-11 In contemporary American political culture claims of American exceptionalism and anxieties over its prospects have resurged as an overarching theme in national political discourse Yet never very far from such debates lie animating fears associated with race Fears about the loss of national unity and trust often draw attention to looming changes in the racial demographics of the body politic Lost amid these debates are often the more complex legacies of racial hybridity Anxieties over the disintegration of the fabric of American national identity likewise forget not just how they echo past fears of subversive racial and cultural difference but also exorcise as well the changing nature of work and social interaction Edmund Fong s book examines the rise and resurgence of contemporary forms of American exceptionalism as they have

emerged out of contentious debates over cultural pluralism and multicultural diversity in the past two decades For a brief time serious considerations of the force of multiculturalism entered into a variety of philosophical and policy debates But in the American context these debates often led to a reaffirmation of some variant of American exceptionalism with the consequent exorcism of race within the avowed norms and policy goals of American politics Fong explores how this multicultural exorcism revitalizing American exceptionalism is not simply a novel feature of our contemporary political moment but is instead a recurrent dynamic across the history of American political discourse By situating contemporary discourse on cultural pluralism within the larger frame of American history this book yields insight into the production of hegemonic forms of American exceptionalism and how race continues to haunt the contours of American national identity

Ludicrous Edward Niedermeyer, 2019-08-20 Tesla is the most exciting car company in a generation but can it live up to the hype Tesla Motors and CEO Elon Musk have become household names shaking up the staid auto industry by creating a set of innovative electric vehicles that have wowed the marketplace and defied conventional wisdom The company's market valuation now rivals that of long established automakers and to many industry observers Tesla is defining the future of the industry But behind the hype Tesla has some serious deficiencies that raise questions about its sky high valuation and even its ultimate survival Tesla's commitment to innovation has led it to reject the careful zero defects approach of other car manufacturers even as it struggles to mass produce cars reliably and with minimal defects While most car manufacturers struggle with the razor thin margins of mid priced sedans Tesla's strategy requires that the Model 3 finally bring it to profitability even as the high priced Roadster and Model S both lost money And Tesla's approach of continually focusing on the future even as commitments and deadlines are repeatedly missed may ultimately test the patience of all but its most devoted fans In Ludicrous journalist and auto industry analyst Edward Niedermeyer lays bare the disconnect between the popular perception of Tesla and the day to day realities of the company and the cars it produces Blending original reporting and never before published insider accounts with savvy industry analysis Niedermeyer tells the story of Tesla as it's never been told before with clear eyes objectivity and insight

Threads of globalization Melia Belli Bose, 2024-02-06 Threads of globalization is an interdisciplinary volume that brings fashion specific garments motifs materials and methods of production into dialogue with gender and identity in various cultures throughout Asia during the long twentieth century It examines how the shift from artisanal production to fast fashion over the past 150 years has devalued women's textile labour and how skilled textile garment makers and the organizations that support them are preserving and reviving heritage traditions It also offers examples of how socially engaged artists in Asia and the diaspora use their work to criticize labour and environmental abuses in the global fashion industry

Public Influence Mira Sucharov, 2019-01-02 How can twenty first century scholars and other experts engage with wider audiences beyond their peers In Public Influence Mira Sucharov walks readers through the ins and outs of op ed writing and social media engagement Enlivened with discussions of an array of hot

button issues and sharp analysis of the delicate dynamics of social media this book is essential reading for anyone who wants to harness the opportunities of public engagement in this vital digital age Magazine Writing Christopher D. Benson, Charles F. Whitaker, 2014-02-03 What does it take to launch a career writing for magazines In this comprehensive up to date introduction to magazine writing students will learn everything from the initial story pitch all the way through to the final production taking with them the essential tools and skills they will need for today s rapidly changing media landscape Written by a team of experienced writers and editors Magazine Writing teaches the time tested rules for good writing alongside the modern tools for digital storytelling From service pieces to profiles entertainment stories and travel articles it provides expert guidance on topics such as developing saleable ideas appealing to specific segments of the market navigating a successful pitch writing and editing content for a variety of areas including service profiles entertainment travel human interest and enterprise Chock full of examples of published works conversations with successful magazine contributors and bloggers and interviews with working editors Magazine Writing gives students all the practical and necessary insights they need to jumpstart a successful magazine writing career **Threads of labour** Lisa Taylor, 2025-07-01 Charting a collaborative art based project using carpet making skills and the industrial heritage of the region the book investigates how a cleaved ex industrial community used arts methodologies as a cohesion strategy Drawing on images from the company s archives the book mines the history of Firths Carpets Limited a firm that carpeted interiors across the globe from the mid 1800s Women s labour and tastes were business critical to the production and sale of Firths carpets Drawing on the author s personal connection to the village an ethnographic sensibility and novel research techniques ex worker responses to a village radically altered by ruination are explored Ex workers felt nostalgia for the dignity of work and a sense of homesickness in a village ghosted by industrial spectres of the past Threads of Labour argues that left behind deindustrialised places require acts of social re making if their communities are to survive **Entertaining Tucson Across the Decades" Volume 1** Robert E. Zucker, 2014-04-12 Entertaining Tucson Across the Decades features thousands of local Tucson Arizona musicians and entertainers from the 1950s through the early 2000s Hundreds of articles published in the Entertainment Magazine Tucson Teen and Newsreal newspapers Interviews original photographs reviews and profiles that follow five decades of music in the Tucson entertainment scene **Appified** Jeremy Wade Morris, Sarah Murray, 2018-10-23 Snapchat WhatsApp Ashley Madison Fitbit Tinder Periscope How do we make sense of how apps like these and thousands of others have embedded themselves into our daily routines permeating the background of ordinary life and standing at the ready to be used on our smartphones and tablets When we look at any single app it s hard to imagine how such a small piece of software could be particularly notable But if we look at a collection of them we see a bigger picture that reveals how the quotidian activities apps encompass are far from banal connecting with friends and strangers and enemies sharing memories and personally identifying information making art and trash navigating spaces and reshaping places in the process While the

sheer number of apps is overwhelming as are the range of activities they address each one offers an opportunity for us to seek out meaning in the mundane Appified is the first scholarly volume to examine individual apps within the wider historical and cultural context of media and cultural studies scholarship attuned to issues of politics and power identity and the everyday

Right Place, Right Time Ryan Frederick, 2021-10-12 Wondering where to live in your later years This strategic and thoughtful guide is aimed at anyone looking to determine the best place to call home during the second half of life Place plays a significant but often unacknowledged role in health and happiness The right place elevates personal well being It can help promote purpose facilitate human connection catalyze physical activity support financial health and inspire community engagement Conversely the wrong place can be detrimental to health as the COVID 19 pandemic has highlighted In Right Place Right Time Ryan Frederick argues that where you live matters enormously especially during the second half of your life Frederick the CEO of SmartLiving 360 and a recognized thought leader on the intersection of place and healthy aging provides you with tools to evaluate your living situation ensuring that you weigh all the necessary factors to make a sound decision that optimizes your current and future well being He explores the pros and cons of different living options from remaining in your current home to downsizing intergenerational living co housing senior living and more Along the way he helps readers answer important questions including Are you already in the right place and In what areas does your current place not align with your needs and desires The rest of the book helps you to unpack specific options for place beginning with considerations for regions and neighborhoods and then looking at specific housing models It also focuses on how housing is changing particularly from a technology health and health care perspective The book closes by challenging the reader to develop a discipline of choosing the right place at the right time Combining real life stories about people selecting places to live with design thinking principles and interactive tools Right Place Right Time will appeal to empty nesters retirees solo agers and even adult children seeking ways to support their parents and loved ones *Essential*

Sotirakopoulos,2021-06-24 Has the world gone mad this is a question that we've heard time and again during the last years Everyone is convinced that something is wrong with politics the culture and our society but what exactly is the problem and how can we overcome it This book will guide the reader through a journey that will connect the dots on the various fronts of the culture wars There is a thread that links together the various expressions of group and identity conflicts in today's West from Left to Right from Social Justice Warriors to Trumpites from feminism to the manosphere and from critical race theorists to white nationalists By the end of this book readers will understand not only the root problem poisoning our culture and society but also how to rise above it both in our private lives and as citizens *Handbook of Sustainable Apparel Production* Subramanian Senthilkannan Muthu,2015-04-28 A hot button societal issue sustainability has become a frequently heard term in every industrial segment Sustainability in apparel production is a vast topic and it has many facets Handbook

of Sustainable Apparel Production covers all aspects of sustainable apparel production including the raw materials employed sustainable manufacturing processes

The Eastern Fleet and the Indian Ocean, 1942-1944 Charles Stephenson, 2022-04-06 A study of the British Royal Navy's activities in the Indian Ocean during World War II led by Admiral Sir James Somerville The story of the British Eastern Fleet which operated in the Indian Ocean against Japan has rarely been told Although it was the largest fleet deployed by the Royal Navy prior to 1945 and played a vital part in the theatre it was sent to protect it has no place in the popular consciousness of the naval history of the Second World War So Charles Stephenson's deeply researched and absorbing narrative gives this forgotten fleet the recognition it deserves British pre war naval planning for the Far East is part of the story as is the disastrous loss of the battleship Prince of Wales and battlecruiser Repulse in 1941 but the body of the book focuses on the new fleet commanded by Admiral Sir James Somerville and its operations against the Japanese navy and aircraft as well as Japanese and German submarines Later in the war once the fleet had been reinforced with an American aircraft carrier it was strong enough to take more aggressive actions against the Japanese and these are described in vivid detail Charles Stephenson's authoritative study should appeal to readers who have a special interest in the war with Japan in naval history more generally and Royal Navy in particular Praise for *The Eastern Fleet and the Indian Ocean 1942-1944* This meticulously researched outstandingly clear well written and absorbing account is long overdue and will most likely become a standard work The text is most helpfully supported by over 80 pages of detailed end notes referenced to each chapter and a detailed index This is not only a book for naval historians but also for anyone with an interest in the War in the Indian Ocean region Highly recommended Military Historical Society I enjoyed this book it gives us an account of an often neglected part of the war at sea and of the achievements of Admiral Somerville who kept his fleet intact in the face of a potentially overwhelming opponent then was willing to acknowledge that his fleet needed to improve massively before it could take on the Japanese Dr John Rickard author and webmaster of the Military History Encyclopedia on the Web

Artists Remake the World Vid Simoniti, 2023-01-01 An original and provocative exploration of the relationship between contemporary art politics and activism *Artists Remake the World* introduces readers to the political ambitions of contemporary art in the early twenty first century and puts forward a new wide ranging account of art's political potential Surveying such innovations as evidence driven art socially engaged art and ecological art the book explores how artists have attempted to offer bold solutions to the world's problems Vid Simoniti offers original perspectives on contemporary art and its capacity as a force for political and social change At its best he argues contemporary art allows us to imagine utopias and presents us with hard truths which mainstream political discourse cannot yet articulate Covering subjects such as climate change social justice and global inequality Simoniti introduces the reader to a host of visionary contemporary artists from across the globe including Ai Weiwei Olafur Eliasson Wangechi Mutu Naomi Rincón Gallardo and Hito Steyerl Offering a philosophy of contemporary art as an experimental branch of politics the book equips the reader with a new critical

apparatus for thinking about political art today A Dream Given Form Ensley F. Guffey, K. Dale Koontz, 2017-09-19 The only comprehensive critical guide to the beloved sci fi phenomenon A Dream Given Form provides an accessible comprehensive and critical look at Babylon 5 one of the most groundbreaking series of all time Nearly 20 years after the show ended this indispensable companion not only covers all five seasons of Babylon 5 but also the feature length TV movies the spinoff series Crusade including three non produced episodes The Legend of the Rangers The Lost Tales the canonical novels the DC comic book series and the short stories set in the Babylon 5 universe Each season and text is explored thoroughly with an in depth look at how the individual episodes books stories and comics fit into larger ongoing storylines Carefully constructed to be enjoyed by both those who have watched the series multiple times and viewers watching for the first time A Dream Given Form elucidates without spoiling and illuminates without nitpicking
