Gray,2019-03-20 Veronica Harris learned the hard way that prison is no place for a mouthy young girl Now after twenty years behind bars she has a second chance Newly released from her miserable confinement Veronica boards a bus and heads west far from her Southern roots and bad memories Yet outside the barbed wire of her former residence things are far different than she remembers When Veronica arrives in Southern California she meets a quirky local artist with a pacifist slant who draws her instantly to his calm nature and unique looks Mac Livingston is like no

man she's ever known and he seems to be just what she needs to heal. But he comes with his own baggage and Veronica soon learns that she isn't the only one battling inner demons. Mac's tolerance of injustice doesn't sit well with Veronica who prefers punishment to acceptance. But how long can she hide her volatile past from him? Sooner or later lingering feelings will rise revealing her tortured thoughts and the sins she'll never forget and as sure as hell never forgive. From *Inside* is the gripping tale of an ex-con's journey to free herself and live life as no one's prisoner.

I Hear a Song in My Head Nergesh Tejani, 2010-06-29 Tejani shares her stories of succeeding as a doctor in Uganda during the 1960s a must for those seeking a medical memoir collection. Midwest Book Review Set in Uganda of the sixties with bookends in India and New York this doctor's story tells of a turbulent political time when colonial Uganda graduated to self rule. It is also the personal story of an Indian woman living in an independent African country wanting and needing assimilation but regretfully recognizing rejection. It is the story of the exhilaration of living in a country more beautiful than Eden if sometimes a threatened Eden. But most of all it tells doctoring tales made delicate by seeing them through the heart. It was a time in medicine before evidential imperatives removed the romance. Dr Tejani's unique meld of skill and compassion radiates throughout this text which will touch both physician and lay readers alike. Frank A Chervenak MD New York Weill Cornell Medical Center With clarity drama and humor this book creates a family story a picture of an African nation in the throes of political upheaval and an original and illuminating view of medical needs and practices in circumstances that exist today in many parts of the world. The complex harmonies of the song in Dr Tejani's head will resonate for a wide variety of readers. Carol Sicherman author of *Rude Awakenings* Nergesh Tejani is a terrific writer. Her subject is often exotic often with international themes and full of pithy observations and wisdom. Abraham Verghese MD Professor of the Theory and Practice of Medicine Stanford University Medical Center

In the Wink of an Eye Kelly Cherry, 1997-06 In *The Wink of an Eye* is a modern fable in the form of a novel. Or a romantic satire. Or a social burlesque. Or an ironic fantasy. Or all of the above. Whatever the label it's a joy to read. This tale is about a revolution. OCoa small upstart none too promising revolution. OCothat succeeds too well. A band of inept guerrillas in the Bolivian backcountry has modest ambitions to take over the jungle ridden province of Santa Cruz a place no one else wants. Before the story is half over a shady German industrialist with an obsession for big deals and big women devises a scheme to expand the revolt into a takeover of all of South America. The President of the United States for his own veiled purposes embraces that takeover for a vast Western Hemisphere plan. And through the independent actions of a few irate citizens in Tulsa New York and London the plan unexpectedly snowballs into a wildcat world movement. The second half is more explosive still. To match the swift tumultuous action there's a cast of engaging outrageously human characters. Just a hint. In Bolivia at the start there is Miguel young rugged guerrilla leader ambitious entrepreneur with a frequent glance toward a personal place in history. Rosita lively lovely sensual practical young woman living with Miguel as great with a rifle as she is in bed but would rather be a wife and mother. Ramon shy nonviolent U S educated son of wealthy Bolivian family.

Miguel's closest friend and advisor wouldn't know how to use a rifle is hopelessly in love with Rosita Who wouldn't be except for a dope like Miguel And the cast captivantly enlarges in New York London Tulsa Washington Rome Cape Canaveral and the environs of the Amazon Boson Books also offers Sick and Full of Burning by Kelly Cherry For an author bio and photo reviews and a reading sample visit bosonbooks.com *Donald J.
