Richard Kyle Smith

Through The Eyes Of An Irish Lad:

Through the Eyes of an Irish Lad Ben Allen, 2014-12-11 Life is confusing for seventeen year old Billy Like any good Protestant lad from Ulster he believes in God but questions why the Protestants and Catholics are killing each other in his name Still a virgin he likes the idea of sex no worries there but hasn't quite figured out whether he's more attracted to women or men It's as if he's been left sitting on the edge of the field watching other people play the game of life But all that changes when he travels abroad with a group from his local church In France Billy meets Brendan immediately blowing his confusion into all out chaos It's love at first sight but it only gets complicated from there because Brendan is a twenty seven year old Catholic and he has a girlfriend Nevertheless free from the constraints of Northern Ireland their friendship grows When the troubles that Billy thought couldn't touch them invade this newfound freedom IRA terrorists force Brendan to smuggle cash into Switzerland by threatening his family back home A heartrending coming of age tale that tackles a host of big issues Through the eyes of an Irish Lad is an honest reflection on the cost innocent people pay when society can't live in harmony or respect people's differences **Christian Register and Boston Observer**, 1925 [The Wild Irish Boy, Works of Charles Robert Maturin, Vol. 2](#) Charles Robert Maturin, 2014-01-27 The Wild Irish Boy 1808 was Charles Robert Maturin's second novel Set in Ireland and England the story follows the adventures of Ormsby Bethel a young Irishman of uncertain ancestry as he navigates through the temptations of high life the intrigues of swindlers gamblers and fast women and his own uncertainties about his place in the societies of both countries Combining features of the silver fork novel coming of age story and to some degree in scenes of Irish life the national novel The Wild Irish Boy is an entertaining tale full of unexpected twists and turns extravagant scenes of fashionable excess misguided and dangerous passions and long held secrets with dire consequences riches and ruin both moral and financial Among the colorful characters is the too fascinating Lady Montrevor cultured ingenious and enigmatic who adds a dimension of excitement and intrigue that contributes to making The Wild Irish Boy a novel rich with conflicting social and moral viewpoints **Locomotive Engineers Journal**, 1913 **Cigar Box Lithographs: Volume V** Charles J. Humber, 2023-08-08 Cigar Box Lithographs Vol 5 is a collection of stories from Canada's past which the author tells past using century old cigar box lithographs as his guideposts His collection of books of which this is fifth in a series pay homage to the heritage and culture of this country that have been largely neglected in today's fast paced technology driven society Similar to its precursors in Volume V readers are once again treated to Humber's chatty erudite writing style reading it no doubt makes Cigar Box Lithographs fans feel like they're sitting down with a treasured friend enjoying a long and fascinating conversation **Brotherhood of Locomotive Engineers' Monthly Journal**, 1918 **Brotherhood of Locomotive Engineer's Monthly Journal**, 1913 **A Lucky Irish Lad** Kevin O'Hara, 2025-09-23 Kevin O'Hara recreates his boyhood with these wonderful stories of growing up in Massachusetts in the 1950s and 60s as one of eight children His parents born in Ireland came to this country for their children's sake His family struggled against

grinding poverty but they never gave up and never lost their faith that God had a plan for them Kevin learned the lessons of making do and making things last and what the true riches of the world are good health and the love of a united family All these lessons grounded him as he reached adulthood and was sent off to fight in wilds of Vietnam as a reluctant soldier This book will tug at your heart and make you cry tears of both sorrow and joy It is a story about the Irish American experience but it is much more it s the story of a generation growing up in the shadow of the Second World War and the start of a new age of hope and promise a time when people believed that anything was possible as long as you dared to dream and had faith in yourself And a little Irish luck couldn t hurt either At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
