Comptroller General of the United States United States. General Accounting Office,1963 *American Doctors in Canton*
Guangqiu Xu,2017-09-08 Traditional Chinese medicine developed over thousands of years but changes introduced from 1835
1935 by American missionary doctors initiated a landslide of cultural revolution in the city of Canton and medical
modernization throughout China Focusing on medical missionaries ideas and approaches in a principal city of the period
Canton Guangqiu Xu a native of Canton describes the long term impact of American models of medical work which are still in
place in China today Despite stiff resistance to change and Chinese suspicion of foreign ideas the impact of American medical
missionaries was profound They opened medical schools trained modern doctors and promoted public health education These
transformations in turn led to major social movements in the modernization of Canton such as the women s rights movement
modern charity and welfare systems and modern hygiene campaigns This book focuses on the changes American doctors
brought to Canton their implementation what remains of their influence today and how some of these transformations have
spread across China It shows that the Chinese have themselves become more responsive to cultural relations with the US as
part of the acceptance of these changes and demonstrates how the unique blend of modern Western and traditional Chinese
medicines has helped modernize China and make Canton the cradle of modern reform and revolution in China
