Rajan,Rohit Lamba,2024-05-14 The new path for economic development that India must create The whole world has a stake in India s future and that future hinges on whether India can develop its economy and deliver for its population now the world s largest while staying democratic India s economy has overtaken the United Kingdom s to become the fifth largest in the world but it is still only one fifth the size of China s and India s economic growth is too slow to provide jobs for millions of its ambitious youth Blocking India s current path are intense global competition in low skilled manufacturing increasing

protectionism and automation and the country's majoritarian streak in politics In *Breaking the Mold* Raghuram Rajan and Rohit Lamba show why and how India needs to blaze a new path if it's to succeed India diverged long ago from the standard development model the one followed by China from agriculture to low skilled manufacturing then high skilled manufacturing and finally services by leapfrogging intermediate steps India must not turn back now Rajan and Lamba explain how India can accelerate growth by prioritizing human capital expanding opportunities in high skilled services encouraging entrepreneurship and strengthening rather than weakening its democratic traditions It can chart a path based on ideas and creativity even at its early stage of development Filled with vivid examples and written with incisive candor *Breaking the Mold* shows how India can break free of the stumbling blocks of the past and embrace the enormous possibilities of the future

My Father's Brain Sandeep Jauhar,2025-06-23 There may be up to 10 million Indians living with Alzheimer's disease or related dementias and that number is expected to increase dramatically in the next few decades What is it like to live with and amid this increasingly prevalent condition an affliction that some fear more than death In *My Father's Brain* the distinguished physician and author Sandeep Jauhar sets his father's descent into Alzheimer's alongside his own journey toward understanding this disease and how it might best be coped with if not cured In an intimate memoir rich with humour and heartbreak Jauhar relates how his immigrant father and extended family felt quarrelled and found their way through the dissolution of a cherished life Along the way he lucidly exposes what happens in the brain as we age and our memory falters and explores everything from the history of ancient Greece to the most cutting edge neurological and bioethical research Throughout *My Father's Brain* confronts the moral and psychological concerns that arise when family members must become caregivers when children's and parents roles reverse and when we must accept unforeseen turns in our closest relationships and in our understanding of what it is to have a self The result is a work of essential insight into dementia and into how scientists caregivers and all of us in an aging society are reckoning with the fallout

Eat This Book Stacy Michelson,2021-03-23 Explore 99 of the world's most beloved delicious and misunderstood foods in this charming culinary compendium from artist extraordinaire Stacy Michelson *Eat This Book* is part celebration part education packed with bite size nuggets of knowledge about unique farmers market finds kitchen pantry staples and fascinating global ingredients You'll gain a new appreciation for seemingly familiar foods and learn the backstory of some that have always seemed a bit more mysterious Whether you're a novice cook or completely food obsessed there's plenty here to feed your curiosity

Breaking the Mould Raghuram Rajan,Rohit Lamba,2023-12-07 Where is India going today Is it surging forward having just overtaken the United Kingdom to become the fifth largest economy in the world Or is it flailing unable to provide jobs for the millions joining the labour force What should India do to secure a better future India is at a crossroads today Its growth rate while respectable relative to other large countries is too low for the jobs our youth need Intense competition in low skilled manufacturing increasing protectionism globally and growing automation make the situation still more difficult Divisive

majoritarianism does not help India broke away from the standard development path from agriculture to low skilled manufacturing then high skilled manufacturing and finally services a long time back by leapfrogging the intermediate steps Rather than attempting to revert to development paths that may not be feasible any more we must embark on a truly Indian path In this book the authors explain how we can accelerate economic development by investing in our people s human capital expanding opportunities in high skilled services and manufacturing centred on innovative new products and making India a ferment of ideas and creativity India s democratic traditions will support this path helped further by governance reforms including strengthening our democratic institutions and greater decentralization The authors offer praise where the Indian establishment has been successful but are clear eyed in pointing out its weaknesses They urge India to break free from the shackles of the past and look to the possibilities of the future Written with unusual candour and packed with vivid examples and persuasive arguments this is a book for anyone who has a stake in India s future
