Dave Boston, 2023-05-22 Loving Your Neighbor A Practical Guide to Keeping the Second Great Commandment explores what God actually means by the word love Often in our culture we use the word love to mean like very very much as in I love pizza But then there are Bible verses that command us to love our enemies clearly the Lord cannot be asking us to like them very much This book looks first at the heart of love as evidenced by God and others From these scriptural records we can see that spiritual love really means a selfless caring for the other When we love we must start with a motivation that focuses solely on the well being of the other and not on any benefits to self Next as this is a practical guide this book examines pictures of love words that give the reader a picture of how this love might actually practically work in our lives Often these biblical words have both a physical and a figurative usage The physical usage gives us the picture and the figurative usage shows us how to practically apply this in loving our neighbor Finally the author shows that God has given us tools in the Bible to help us get better at loving our neighbor God gave us the commandment but then He was loving enough to help us love and to help us grow in loving our neighbors
