Clarence Clendenen, Robert Collins, Peter Duignan, African Children in Peril Brian Waller, 2023-04-28 Why do millions of African children die before their fifth birthday In African Children in Peril Brian Waller takes his enormous experience in working with children and families both home and overseas and looks critically and boldly at why enormous numbers of infant children in sub Saharan Africa die so young This is a mortality rate of up to thirty times greater than in the West It hasn't been an accident of climate or corruption or geography It has happened because of the West's systematic subjugation and exploitation of the region over the centuries without regard to how this might impact on the region's families and very young children African Children in Peril shows emphatically and meticulously how Britain has been at the centre of this catastrophe involving many millions of child deaths as a consequence of its involvement in the slave trade and its Imperial and colonising history It goes on to describe both America's indifference to African children's health needs and its readiness to profit from the continent at every turn But there can be hope Alongside this tragic detailing of research and conclusions Brian Waller explores Africa's positive responses to these events and suggests how the West and particularly the United States and Britain might now assist African leaders in helping them to make the curse of child malnutrition and early deaths history The time is now **Empire Ways** Bernard Porter, 2015-10-30 The British Empire was an astonishingly complex and varied phenomenon not to be reduced to any of the simple generalisations or theories that are often taken to characterise it One way of illustrating this and so conveying some of the subtle flavour of the thing itself is to descend from the over arching to the particular and describe and discuss aspects of it in detail This book by the well known imperial historian Bernard Porter ranges among a wide range of the events and personalities that shaped or were shaped by British imperialism or by its decline in the post war years These include chapters on science drugs battles proconsuls an odd assortment of imperialists including Kipling Lady Hester Stanhope and T.E.
