Starbucks Barista Trainer Guide:

The Survival Guide to British Columbia Ian Ferguson, 2019-10-15 A completely satirical yet oddly practical guide to surviving and thriving in Canada's westernmost province. So you've arrived in British Columbia. Perhaps you're just passing through, perhaps you want to stay a while. You may even be contemplating making British Columbia your home. What you need is a well-researched, clearly written and comprehensive guide to living and even prospering in Canada's westernmost province. This isn't it. However, the information contained in this book will allow you to experience British Columbia with minimal damage to your health and well-being. Having lived in nearly every province in the country before settling in BC, Ian Ferguson can say with great authority that things work differently here. So differently, in fact, that visitors and newcomers from other parts of Canada may put themselves in physical or social peril if they try to dress, act, drive, work, vote or socialize in the same ways as they would in Ontario, New Brunswick or God forbid, Alberta. With practical advice, little-known facts and personal anecdotes, Ferguson tackles everything from how to recognize a local and differentiate the various types of facial hair that delineate the male British Columbian to how to survive both natural and unnatural disasters, whether it's a light dusting of snow on the southern tip of Vancouver Island or a full-blown hockey riot to how BC has been governed through the ages, like the time a bootlegger was put in charge of prohibition. Illuminating, hilarious and only mildly offensive if you have no sense of humour, *The Survival Guide to British Columbia* will make you question why you ever came here in the first place.

The simplest way to ruin a café's reputation and general performance as a business is to have untrained workers selling subpar coffee. Our espresso training is specifically designed to meet the requirements of café owners and comprises introductory instruction for novices and concentrated training for experienced coffee makers. Training is an ongoing activity that is ingrained in the corporate culture of successful cafés. It is not a one-time event. *Clark St Roasters Barista Training Guide* Clark St Roasters, 2015-04-09 *The Publishers Weekly*, 2005
