Kaminski,2010-10-18 It started as a short story for a friend who does not believe in life after death But it took on a life of its own and did not stop until it could call itself a novel At the core a love story between two people one in heaven and one on earth it is about the way heaven might just be like full of fun mischief and misunderstanding Some people might find this book blasphemous but that was not the intention of the author This is what one reader had to say I laughed so often while reading South of Eden that my spouse asked me if I was opening email jokes South of Eden is a comedy romance and spiritual adventure rolled into one as the story compels the reader to root for the reunion of soul mates Gwyddy and Don As Don tours Heaven awaiting the arrival of Gwyddy he meets the Big Guy who surprisingly has a wonderful sense of humor He finds a comical and refreshing perspective on what Moses Noah and a host of Biblical characters might really be like South of Eden will forever change your view of life and death lifting it with laughter romance and enduring love Reverend Lorri Coburn MSW Author Lecturer on The Spiritual Life Spiritual Mentor
