Main quests are interspersed with side quests in the order in which they unlock, although some side quests and arena challenges may only be referenced instead of fully explained. These are typically quests that have you facing a monster you've already fought under similar circumstances that offer no unique reward for completion. Monster strategies will be discussed in detail as you encounter them throughout the walkthrough, featuring elemental and status information and drop lists. The guide also features a fully detailed bestiary for those who just want information about specific monsters, unaccompanied by a walkthrough. Trophy achievement information can also be found in a separate trophy achievement guide, although be warned: many trophies/achievements in Monster Hunter World are easier said than done.
