

Welcome to WHS Cheer Tryouts!

Dear Cheerleader Candidate,

We are very excited that you have decided to try out for the WHS cheer squad! Woodinville High School Cheerleaders are representatives of their school, team and coaches. If you become a member of the cheer squad, please know that you will be held to a very high standard. As a cheerleader you will be expected to be respectful, work hard and represent yourself as a leader of our school.

Please note:

Due to current circumstances, our tryout process will be adjusted/altered from how it has run in the past. We have created the 2021-2022 tryout application based on the knowledge and plans we currently have. We appreciate your understanding and flexibility as we know things may change. If it is necessary to make changes to our tryout process we will be sure to communicate this as soon as possible.

***Please note, that signing up does NOT commit you to being a member of the squad, but secures your space in the tryout process.**

Tryout week is a busy week. Make sure to get plenty of rest as you will be working hard to prepare for your final tryout. There will be tryout practices where you will learn a dance, cheer, jumps and be given support with overall technique. It is strongly encouraged that you show up to all practices, as you will receive participation points for each practice you attend. You will need to use your evenings to prepare for your final tryout. The more you practice, the more prepared you will be at tryout time. It will be a great week. Come ready to learn and participate with a smiling face and a positive attitude!

Your application packet must be turned in prior to trying out. Applications can be emailed to Coach Danos. Please read through the packet carefully and fill out all the information. There is a lot of important information for you to read over with your parent(s)/guardian(s) and places for you to sign/initial. There are several attachments needed for your packet to be complete. An incomplete application packet or inaccurate information will result in a loss of points, which may impact your chance of being selected for the 2021-2022 Falcon Cheer Team.

If you have any questions please feel free to email Coach Danos. On the next page you will find an application packet checklist. Use this checklist to ensure that your packet is complete. Prior to turning in your completed application packet, please detach the top two pages, as these are for you to keep and reference throughout tryout week.

George-Warren,2019-10-22 Longlisted for the 2020 Andrew Carnegie Medals for Excellence This blazingly intimate biography of Janis Joplin establishes the Queen of Rock Roll as the rule breaking musical trailblazer and complicated gender bending rebel she was Janis Joplin s first transgressive act was to be a white girl who gained an early sense of the power of the blues music you could only find on obscure records and in roadhouses along the Texas and Louisiana Gulf Coast But even before that she stood out in her conservative oil town She was a tomboy who was also intellectually curious and artistic By the time she reached high school she had drawn the scorn of her peers for her embrace of the Beats and her racially

progressive views Her parents doted on her in many ways but were ultimately put off by her repeated acts of defiance Janis Joplin has passed into legend as a brash impassioned soul doomed by the pain that produced one of the most extraordinary voices in rock history But in these pages Holly George Warren provides a revelatory and deeply satisfying portrait of a woman who wasn't all about suffering Janis was a perfectionist a passionate erudite musician who was born with talent but also worked exceptionally hard to develop it She was a woman who pushed the boundaries of gender and sexuality long before it was socially acceptable She was a sensitive seeker who wanted to marry and settle down but couldn't or wouldn't She was a Texan who yearned to flee Texas but could never quite get away even after becoming a countercultural icon in San Francisco Written by one of the most highly regarded chroniclers of American music history and based on unprecedented access to Janis Joplin's family friends band mates archives and long lost interviews Janis is a complex rewarding portrait of a remarkable artist finally getting her due

The Good Country Jon K. Lauck, 2022-11-21 At the center of American history is a hole a gap where some scholars indifference or disdain has too long stood in for the true story of the American Midwest A first ever chronicle of the Midwest's formative century *The Good Country* restores this American heartland to its central place in the nation's history Jon K Lauck the premier historian of the region puts midwestern squares center stage an unorthodox approach that leads to surprising conclusions The American Midwest in Lauck's cogent account was the most democratically advanced place in the world during the nineteenth century *The Good Country* describes a rich civic culture that prized education literature libraries and the arts developed a stable social order grounded in Victorian norms republican virtue and Christian teachings and generally put democratic ideals into practice to a greater extent than any nation to date The outbreak of the Civil War and the fight against the slaveholding South only deepened the Midwest's dedication to advancing a democratic culture and solidified its regional identity The good country was of course not the perfect country and Lauck devotes a chapter to the question of race in the Midwest finding early examples of overt racism but also discovering a steady march toward racial progress He also finds many instances of modest reforms enacted through the democratic process and designed to address particular social problems as well as significant advances for women who were active in civic affairs and took advantage of the Midwest's openness to women in higher education Lauck reaches his conclusions through a measured analysis that weighs historical achievements and injustices rejects the acrimonious tones of the culture wars and seeks a new historical discourse grounded in fair readings of the American past In a trying time of contested politics and culture his book locates a middle ground fittingly in the center of the country
