Poor's Handbook of Investors' Holdings, 1913 **Research Handbook on Law and Ethics in Banking and Finance** Costanza A. Russo, Rosa M. Lastra, William Blair, 2019 The global financial crisis evidenced the corrosive effects of unethical behaviour upon the banking industry The recurrence of misbehaviour in the financial sector including fraud and manipulations of market indices suggests the need to establish a banking culture that conforms to the highest standards of ethical and professional behaviour This Research Handbook on Law and Ethics in Banking and Finance focuses on the role that law should play and the effectiveness of newly introduced regulations and supervisory actions as a driver for ethical conduct so as to reconnect the interests of bankers and financiers with the interests of society **Moody's Manual of Investments: American and Foreign**, 1926 *Business Ethics, Seventh Edition* Joseph W. Weiss, 2021-11-23 The seventh edition of this pragmatic guide to determining right and wrong in the workplace is updated with new case studies exercises and ancillary materials Joseph Weiss's Business Ethics is a pragmatic hands on guide for determining right and wrong in the business world To be socially responsible and ethical Weiss maintains businesses must acknowledge the impact their decisions can have on the world beyond their walls An advantage of the book is the integration of a stakeholder perspective with an issues and crisis management approach so students can look at how a business's actions affect not just share price

and profit but the well being of employees customers suppliers the local community the larger society other nations and the environment Weiss includes twenty three cases that immerse students directly in contemporary ethical dilemmas Eight new cases in this edition include Facebook s mis use of customer data the impact of COVID 19 on higher education the opioid epidemic the rise of Uber the rapid growth of AI safety concerns over the Boeing 737 the Wells Fargo false saving accounts scandal and plastics being dumped into the ocean Several chapters feature a unique point counterpoint exercise that challenges students to argue both sides of a heated ethical issue This edition has eleven new point counterpoint exercises addressing questions like Should tech giants be broken apart What is the line between free speech and dangerous disinformation Has the Me Too movement gone too far As with previous editions the seventh edition features a complete set of ancillary materials for instructors teaching guides test banks and PowerPoint presentations
