Where Is the Fear of God? Charles Von Hammerstein, 2010-01-26 The loss of the fear of God has been the greatest devastation to our nation and to the body of Christ It is the sign of the end times the mark of falling away from the Lord O how we need to recapture the fear of God in this day so that we all might be found prepared for the Lord s return We are living in the very days before the Lord s return when the prophecies of scripture are being fulfilled all around us Yet few are being prepared for his return with the holiness that He will demand We must follow after holiness without which no man shall see the Lord Heb 12 14 Such holiness cannot be obtained without the fear of the Lord being brought back into the church and especially into its leadership This book shows how the fear of God has been forsaken and it exposes the heart of compromise that is the spirit of our age Ask yourself how are you being prepared by the preaching of the fear of the Lord so that your life meets Christ s holy eyes

Human in Person Dr. N Prabhu Dev, 2016-05-12 Life is a dream for the wise a game for the fool and a comedy for the rich and a tragedy for the poor I have made an attempt to portrait life as you and I live and believe This is purely my perception I may be right or I may even be wrong You may agree or agree to disagree I believe that Life is a collection of experiences ideas education and events The Game of Life is not a game of chess in the conventional sense There are no players and no winning or losing Once the pieces are placed in position the rules determine everything that happens later Nevertheless Life is full of surprises In most cases it is impossible to look at a starting position or pattern and see what will happen in the future The only way to find out is to follow the rules of life Life is just one example of a cellular automaton In Life as in nature we observe many fascinating
