## Topical Guide To The Bible:

The Complete Topical Guide to the Bible Martin Hugh Manser, Alister McGrath, J. Packer, Donald Wiseman, 2017-05-02  
The Complete Topical Guide to the Bible provides Scripture references definitions and cross references for the study of the Bible by topic The topical approach differs significantly from the lexical approach of a concordance and a topical guide is an essential supplement to a concordance While a concordance is limited to the connection of biblical passages in which the same word appears the topical approach identifies and connects all of the underlying concepts related to a topic A concordance would not yield John 3 16 for a study of grace because the word grace does not appear in the verse but The Complete Topical Guide to the Bible includes John 3 16 for grace because it is an essential verse on the topic The topics in this resource include biblical doctrinal and historical subjects and they are organized into nine major categories God Jesus Christ the Holy Spirit creation humanity sin and salvation God's people the life of the believer and the last things In addition to the great themes of the biblical message practical issues of Christian living are also included **The Topical Handbook of Bible Prophecy** Ron Rhodes, 2010-09-01 This handy topical concordance contains more than 300 subjects all related to the end times and arranged alphabetically Each topic is followed by several Scripture references arranged by sub topics for fast accurate searches that readers can look up in their own Bibles All of the Bible's most important eschatological verses are included referring to such things as the rapture tribulation second coming and millennium the antichrist false prophet and mark of the beast Israel rebirth as a nation and the rebuilding of the Jewish temple the Ezekiel invasion Armageddon and the day of the Lord pre mid and post tribulation end times interpretations Bible students of all levels will find quick access to the essential information they need to see what the Scriptures have to say about the things to come **Baker Topical Guide to the Bible**, 1991 2007 Bible Topical Guide William D. evangelical Asian American and Latinx congregations where women's voices are marginalized and male dominance is reinforced in the church as well as the family The consequences are enormous oRobbing the church of the fullness of the gospel oSilencing the voices of women preachers oMasculinizing Christianity oLosing younger generations of women leaders oModeling structural power inequality oIncreasing violence against women Making academic hermeneutical work accessible for the pulpit A Biblical Study Guide for an Equal Pulpit reappropriates a gendered approach to biblical texts Among the perspectives investigated Kay Higuera Smith's Two Mothers Two Promises takes a perspective shifting look at Sarah and Hagar Eunny P Lee's Valorous and Wise Women Who Build Up the House of God depicts Ruth and the woman of Proverbs 31 as builders of the household and Sophia Magallanes Tsang's Listening for Your Voice Let Me Hear It The Prophetic Feminine Voice in Songs 8 interprets the Song of Songs as a prophetic female voice
