Torn I Dont Need You But I Want You:

Torn: I Don't Need You, But I Want You Latoya Chander,2015-07-30 Latavia Carter can't live or face the present because she's stuck in her past. She marries the man of her dreams but she's unable to appreciate him because of her haunting past. Lies, secrets, and infidelity cause her life and the ones around her to spiral out of control. But is it her fault? How can it be when just about everyone in her immediate circle has a secret of his or her own? Who can she trust? Better yet, how can she trust anyone when she can't even trust herself? Darnell Carter, also known as Latavia's Aladdin, is the epitome of the perfect man. His decision to keep a one-night stand's secret sends the world he's worked so hard to build crumbling down, placing him in a life-or-death situation. Forced to take matters into his own hands as divorce isn't an option in his eyes, Darnell promises to honor his vows by any means necessary. He is a firm believer of his vow: Until death do us part, which he doesn't take lightly. Nariah Westbrook is a scorned woman faced with demons of her own. She believes a man is only good for one thing: if he can manage to get that right. If sex doesn't include her being in a position of power, she wants nothing to do with it until she finds herself falling in love with Mahogany, who is emotionally unavailable and isn't the person she set out to be. Nariah allows sex to dictate her life, which in turn fucks her and the world around her. Real good. Come take a journey into this romantic thriller of sex, lies, and betrayal and see if *Torn* won't have you second-guessing who you can trust, especially if you want to overshadow your needs. *Torn Between Her Alphas* Gia Hunter,2025-08-08 Outcast and wolfless Amelia Hayes has been bullied her whole life. Before turning eighteen, she survives the fire, and her handsome alpha, Ryden Braxton, rejects and banishes her. Two years later, she returns beautiful and strong, but she also brings threats to the pack. While Ryden wants to claim her, she's also mystified by her constant sensual dreams of a stranger. With werewolves dying in mysterious deaths, she has to entrust her secret to her mate, the power of fire within her that can cause more destruction than salvation. When her past, which she has no memory of, pulls forward to her present, she becomes so drawn to a dangerous Alpha King, Lucius, with a primal instinct to claim her, the very same man in her dreams. After too many betrayals in his pack, Ryden has to work with his ruthless rival to protect his mate against their formidable foe. Lucius has waited too long to reunite with Amelia, but he has to put his anger aside to get his revenge against the being who killed his wife and his entire pack twenty years ago. With Amelia still bound to her past and present, will she choose between the two alphas who equally love her or choose the one who sacrifices a lot for her to live. **Torn** Beth Parrish,Georgette Vest,2016-11-08 Chase Silverman is a playboy millionaire with a dark past and even darker appetites. Chase is dominant, controlling, and self-destructive. Chase eludes his anguished past with whiskey and countless women, every bottle drawing him closer to the verge of madness until Katrina Richmond enters his life, turning his world upside down. Katrina is beautiful, talented, and everything Chase hadn't bargained for. Katrina evokes the one emotion that Chase despises: the most love. Will Katrina be able to melt Chase's heart and restore his spirit, or is he fated to forever be broken? Will Chase's addictions be what she desires the most, or will they send her rushing into the
