The Routledge Companion to Ethics and Research in Ethnomusicology Jonathan P. J. Stock, Beverley Diamond, 2022-11-30 The Routledge Companion to Ethics and Research in Ethnomusicology is an in depth survey of the moral challenges and imperatives of conducting research on people making music It focuses on fundamental and compelling ethical questions that have challenged and shaped both the history of this discipline and its current practices In 26 representative cases from across a broad spectrum of geographical societal and musical environments authors collectively reflect on the impacts of ethnomusicological research exploring the ways our work may instantiate privilege or risk bringing harm as well as the means that are available to provide recognition benefit and reciprocation to the musicians and others who contribute to our

studies In a world where differing ethical values are often in conflict and where music itself is meanwhile a powerful tool in projecting moral claims we aim to uncover the conditions and consequences of the ethical choices we face as ethnomusicologists thereby contributing to building a more engaged restructured discipline and a more globally responsible music studies The volume comprises four parts 1 sound practices and philosophies of ethics 2 fieldwork encounters 3 environment trauma collaboration and 4 research in public domains

Social Justice and the World of Work Brian Langille, Anne Trebilcock, 2023-02-23 In this book leading international thinkers take up the demanding challenge to rethink our understanding of social justice at work and our means for achieving it at a time when global forces are tearing the familiar fabric of our working lives and the laws regulating them When fabric is torn we can see deeply into it understand its structural weaknesses and imagine alterations in the name of resilience and sustainability Seizing that opportunity the authoritative commentators examine the lessons revealed by the pandemic and other global shocks for our ideas about justice at work and how to advance that cause in the world as we now find it The chapters deliver critical re assessments of our goals explore our new challenges and creatively re imagine trajectories for progress on two global fronts via international institutions and by a myriad of other transnational techniques These forward looking essays are in honour of Francis Maupain whose international career and scholarly writing are inspiring models for those who in a changing world seize opportunities for creativity in the pursuit of global justice at work
