she lost her job her husband left her and her dear sister died Part of her journey moves her to help Rodney Through meaningful conversation and dedication she is able to penetrate the emotional wall Rodney built after his own tragic circumstances sent him onto the streets They become an unlikely duo encouraging each other to overcome each of their own obstacles and slowly a new world emerges A moving and powerful story about how inspiration can be found in the unlikeliest places Welcome to My World also reaffirms that the simplest things in life like a conversation with a stranger can lead to life changing results

Welcome to My Realm: Words of a Man Raised in An Urban Jungle William Dennis,2014-04-10 A child of the treacherous foster care system who beat the odds to become a corporate magnate William Dennis has dismissed the notion that Black men are unable to show their proverbial scars Eloquently using poetry to symbolically paint images of the Black man s socially pervasive problems he addresses concerns that many have tried to hide One must purchase this book and see for themselves as words cannot describe the labor of love combined with audacious sincerity that is seen in each poem This is not just a statement it is true You can give this book to anyone you love That means brother sister father mother friend teacher or that little Black boy lost in a cycle of despair Welcome to My Realm Words of a Man Raised in an Urban Jungle candidly educates us about the trials and tribulations of Black men and facilitates a
