Hello!

I hope you are having a wonderful summer with your family! You are probably having fun riding your bike, swimming, or playing games. I had fun, too. Mr. Post and I did a lot of traveling together. It was a terrific summer!

Now I have been back at school getting our classroom ready! I thought I would write you a letter to tell you how excited I am for the first day of school. I can't wait to see you!

We are going to have so much fun this year in first grade.

We will be sharing many big books, stories, poems and songs! We will have fun writing, too. We will be playing some excellent math games! We will also learn new things in science and social studies. Computer time will be

awesome, too! You will see some of your old friends in our class, but you will make new friends, too!

Everyone received a supply list last June. If you have your supplies, you may bring them in a little at a time the first week of school or all at once, whichever is easier for you.

If you or your family would like to write me a letter, I would love to learn about anything that you'd like me to know about you. You can mail it to me at Smith School, or bring it with you during the first week of school.

When you come to school on the first day, I will be right outside to meet you and show you where to go. We are going to have a great year! We will be meeting new people, learning new names, making new friends and helping each other.

I am looking forward to seeing you! I hope you enjoy these last days of vacation!

I will see you soon.
Bring your smile!

Your teacher,
Mrs. Post

literary giant John Updike's life emerges in these luminous daily letters to family friends editors and lovers a remarkable outpouring over six decades from his earliest consciousness as a writer to his final days As James Schiff writes in the introduction to this volume of the writer who would eventually express himself in written form as copiously and as elegantly as any American writer before him Updike needed to write the way the rest of us need to breathe or eat With his stunning rhetorical gifts enabling him to thrive in both short fiction and the novel criticism as well as poetry Updike was also a consummate letter writer When barely a teenager he began submitting poems and cartoons to national magazines and soliciting famous cartoonists with flattering requests for a drawing His letter writing only increased when he left the family

farm in Pennsylvania for Harvard where he composed more than 150 witty substantive letters to his parents The summer after he graduated The New Yorker began accepting his work and his exchanges with editors publishers and writers would stretch into a correspondence that Schiff notes figures not as an adjunct to but rather an integral part of his astonishing literary output The intimacy and lucidity of these letters brings to the fore all manner of subjects and situations notably the ardent feelings for his first love and wife Mary and later the heartbreaking but honestly accounted breakup of their marriage the uncensored passion for other women including his Ipswich neighbor Martha who became his second wife the concern for his children s path to adulthood and the conversations with many literary peers from Joyce Carol Oates to Philip Roth as well as his Knopf and New Yorker editors critics translators and others in the lit business Filled with comic observations opinions and personal news told in the fluid first person voice of the writer himself these missives taken together create a page turning life in letters like no other

Letters from a Black and White World Teresa Price, 2013-11-27 A rare glimpse into the training and life of a mid twentieth century nun a story told on two levels actual letters written as it was experienced interspersed with narrative and retrospective comments Overall the book is a love story of a girl seeking God and dedicating her life to His service The story begins on a hot July day when the seventeen year old candidate arrives at the novitiate in Missouri Candid letters reveal the gradual transformation from a frivolous teen to a dedicated religious The letters chronicle her efforts to cope with the rigorous training and lifestyle and ultimately her failure to conform Psychological effects and consequences of the lifestyle are discussed Retrospective comments enhance the story explaining customs and practices of the Old World spirituality of the times Details of the Church reforms enacted in the 1960s that brought dramatic needed change are included The system of belief customs and practices of the times sheds light on the scandalous abuse and secrecy issues in the news today The author sums up her experiences in these words Some would argue but I believe there is such a thing as a temporary vocation I see my seven and a half years in the convent as such a precious time of protection for me at a most vulnerable time in my life Unaware of my motivation at the time I've come to realize I entered the convent seeking peace and escape from the pain of losing my sister The Lord called me aside just for a time and during that time I learned to love and trust Him unreservedly I felt a deep happiness but as is the course of things I eventually suffered the emotional consequences of denying those feelings of loss guilt and anger and not allowing myself to grieve
