web building better products with finite element analysis authors vince adams abraham askenazi summary offers a practical view of finite element analysis fea by reviewing the basics of design analysis from an engineering perspective

building better products with finite element analysis paperback - Nov 06 2022

web this book offers a practical view of finite element analysis fea by reviewing the basics of design analysis from an engineering perspective it provides practical guidelines for specific design problems such as setting boundaries contact points between parts sheetmetal weldments plastic components and other common encounter problems

a designer s guide to simulation with finite element analysis - Mar 30 2022

web vince is co author of building better products with finite element analysis from onword press and other books on using

managing analysis in the design process he has authored numerous articles on fea and has been an invited speaker at conferences on fea and product design around the world 6 1 building blocks of boundary
