Video Shooter Barry Braverman, 2013-02-11 Video Shooter is a guide to both the mechanics of the video camera and the craft of shooting. Written by a veteran in the industry and utilizing an engaging conversational style including illustrative anecdotes from the author's many years of experience, the book takes the reader beyond button pushing to teach the complete range of skills required to capture compelling images. Topics include equipment selection, camera setup and operation, shooting techniques, and working with lighting and audio. Although the techniques illustrated in Video Shooter are appropriate for users of a wide range of camera models, the book focuses on the most popular 3 CCD DV and HDV cameras. A chapter on issues and techniques relating to DVD output makes the book especially suitable for industrial, educational, and government video producers. The book also features a companion DVD with tutorial footage demonstrating storytelling techniques and technical matter such as a comparison of various filters. **Mergent OTC Unlisted Manual**, 2009
