Vietnam War Literature Ken Lopez, 1990 *Selected Letters of John Updike* John Updike, 2025-10-21 The arc of literary giant John Updike's life emerges in these luminous daily letters to family friends editors and lovers a remarkable outpouring over six decades from his earliest consciousness as a writer to his final days As James Schiff writes in the introduction to this volume of the writer who would eventually express himself in written form as copiously and as elegantly as any American writer before him Updike needed to write the way the rest of us need to breathe or eat With his stunning rhetorical gifts enabling him to thrive in both short fiction and the novel criticism as well as poetry Updike was also a consummate letter writer When barely a teenager he began submitting poems and cartoons to national magazines and soliciting famous cartoonists with flattering requests for a drawing His letter writing only increased when he left the family farm in Pennsylvania for Harvard where he composed more than 150 witty substantive letters to his parents The summer after he graduated The New Yorker began accepting his work and his exchanges with editors publishers and writers would stretch into a correspondence that Schiff notes figures not as an adjunct to but rather an integral part of his astonishing literary output The intimacy and lucidity of these letters brings to the fore all manner of subjects and situations notably the ardent feelings for his first love and wife Mary and later the heartbreaking but honestly accounted breakup of their marriage the uncensored passion for other women including his Ipswich neighbor Martha who became his second wife the concern for his children's path to adulthood and the conversations with many literary peers from Joyce Carol Oates to Philip Roth as well as his Knopf and New Yorker editors critics translators and others in the lit business Filled with comic observations opinions and personal news told in the fluid first person voice of the writer himself these missives taken together create a page turning life in letters like no other

Sherlock Holmes - The Book-Thief and the Blitz Orlando Pearson, 2025-07-01 Giallo novelette 23 pagine In the shadow of war even Sherlock Holmes faces a code he cannot crack and a secret buried for centuries As the Blitz rains fire upon Britain Sherlock Holmes and Dr Watson are drawn into a web of intrigue far deadlier than any criminal plot In *The Book Thief* and *the Blitz* the legendary detective is tasked with deciphering German code names for impending air raids names like Moonlight Sonata Umbrella and Standard Price But as Coventry and Birmingham burn Holmes races against time to uncover the third target before the bombers strike again Amidst the chaos a mysterious librarian s theft of historical books about Leicester hints at a secret buried deeper than the war itself When a bomb crater reveals a skeleton with a twisted spine Holmes stumbles upon a royal mystery lost to history one that could rewrite the fate of England From the shattered streets of Leicester to the hidden corridors of Bletchley Park this gripping tale weaves together espionage ancient lineage and the brutal calculus of war A masterful blend of history and deduction *The Book Thief* and *the Blitz* proves that even in the darkest hours some secrets refuse to stay buried A thrilling wartime mystery Holmes at his most brilliant and human London businessman Orlando Pearson is the creator of *The Redacted Sherlock Holmes* series which buries forever the idea that Sherlock Holmes might not have been a historical person Do you want to see Sherlock Holmes come to the rescue of Queen Victoria arrange the borders of post war Europe clear Macbeth of murder unravel King Oedipus s complexities or provide advice to the Almighty Then you will find all this and more in the seven collections of short stories two novels and the six plays in the series When not communing with the spirits of 221b Orlando enjoys sport music and browsing price comparison websites He has written Sherlock Holmes stories on all these topics **Black AF History** Michael Harriot, 2023-09-19 NEW YORK TIMES BESTSELLER NAACP IMAGE AWARD NOMINEE AMAZON S TOP 20 HISTORY BOOKS OF 2023 B N BEST OF EDUCATIONAL HISTORY THE ROOT S BEST BOOKS OF 2023 CHICAGO PUBLIC LIBRARY FAVORITE BOOKS OF 2023 From acclaimed columnist and political commentator Michael Harriot a searingly smart and biting hilarious retelling of American history that corrects the record and showcases the perspectives and experiences of Black Americans America s backstory is a whitewashed mythology implanted in our collective memory It is the story of the pilgrims on the Mayflower building a new nation It is George Washington s cherry tree and Abraham Lincoln s log cabin It is the fantastic tale of slaves

that spontaneously teleported themselves here with nothing but strong backs and negro spirituals It is a sugarcoated legend based on an almost true story It should come as no surprise that the dominant narrative of American history is blighted with errors and oversights after all history books were written by white men with their perspectives at the forefront It could even be said that the devaluation and erasure of the Black experience is as American as apple pie In *Black AF History* Michael Harriot presents a more accurate version of American history Combining unapologetically provocative storytelling with meticulous research based on primary sources as well as the work of pioneering Black historians scholars and journalists Harriot removes the white sugarcoating from the American story placing Black people squarely at the center With incisive wit Harriot speaks hilarious truth to oppressive power subverting conventional historical narratives with little known stories about the experiences of Black Americans From the African Americans who arrived before 1619 to the unenslavable bandit who inspired America's first police force this long overdue corrective provides a revealing look into our past that is as urgent as it is necessary For too long we have refused to acknowledge that American history is white history Not this one This history is Black AF
