Angels in the Sky Robert Gandt, 2017-10-03 Reads like a World War II thriller only better because every word is true One of the great untold stories of history Robert Gandt has brought it vividly unforgettably to life Steven Pressfield best selling author of *Gates of Fire* In 1948 when the newly founded nation of Israel came under siege from a coalition of Arab states a band of volunteer airmen from the United States Canada Britain France and South Africa arrived to help They were a small group fewer than 150 Many were World War II veterans most of them knowingly violated their nations embargoes on the shipment of arms and aircraft to Israel The airmen risked everything their careers citizenship and lives to fight for Israel The saga of the volunteer airmen in Israel's war of independence stands as one of the most stirring and little known war stories of the past century

Angels, Let's Talk Orlando Constantine, 2007-10 The anointing received is the deciding factor of the truth on this subject which is unparalleled in content as being current biblical and to the point Why are you angels here where are you coming from and do you give a damn where you are going This book intend to bring a resolution to these questions and if eternal damnation is obvious redemption is also plausible as one extremity has a equal opposite except in the case of God Come now and let us reason together saith the LORD though your sins be as scarlet they shall be as white as snow though they be red like crimson they shall be as wool Isaiah 1 18
