The Light Fantastic Discworld Terry Pratchett:

The Light Fantastic Terry Pratchett, 2000-02-02 Terry Pratchett's profoundly irreverent novels are consistent number one bestsellers in England where they have garnered him a revered position in the halls of parody next to Mark Twain Kurt Vonnegut Douglas Adams and Carl Hiaasen In *The Light Fantastic* only one individual can save the world from a disastrous collision Unfortunately the hero happens to be the singularly inept wizard Rincewind who was last seen falling off the edge of the world

The Light Fantastic Terry Pratchett, 1995-11 It's just one of those days when nothing seems to go right a most inopportune time for the first tourist ever to set foot and carnivorous Luggage on the Discworld to be extending his already eventful vacation Not that he currently has much choice in the matter But with a monstrous red star on a direct collision course the future for the residents of this flat planet carried by four elephants riding on the shell of a giant turtle swimming through space appears uncertain at best Fortunately there is one individual who can save Discworld from total destruction Unfortunately that hero happens to be the singularly inept wizard Rincewind who was last seen falling off the edge of the world

The Light Fantastic Terry Pratchett, 2022-09-27 Incredibly funny compulsively readable The Times The Discworld is very much like our own if our own were to consist of a flat planet balanced on the back of four elephants which stand on the back of a giant turtle that is What shall we do said Twoflower Panic said Rincewind hopefully He always held that panic was the best means of survival As it moves towards a seemingly inevitable collision with a malevolent red star the Discworld could do with a hero What it doesn't need is a singularly inept and cowardly wizard still recovering from the trauma of falling off the edge of the world or a well meaning tourist and his luggage which has a mind and legs of its own Which is a shame because that's all there is _____ The Discworld novels can be read in any order but *The Light Fantastic* is the second book in the Wizards series

The Light Fantastic Terry Pratchett, 2000-02-02 Rincewind a cowardly wizard is the only one who can save Discworld as it falls slowly towards a red star *The Light Fantastic*, 1999 *Light Fantastic* Terry Pratchett, 1997-09-02 Panic said Rincewind hopefully He always held that panic was the best means of survival When the very fabric of time and space are about to be put through the wringer in this instance by the imminent arrival of a very large and determinedly oncoming meteorite circumstances require a very particular type of hero Sadly what the situation does not need is a singularly inept wizard still recovering from the trauma of falling off the edge of the world Equally it does not need one well meaning tourist and his luggage which has a mind of its own Which is a shame because that's all there is The Colour of Magic Terry Pratchett, 2008 This title which launched the legendary Discworld series introduces the tourist Twoflower and his wizard guide Rincewind Part of a reissue of the first three Discworld books this novel includes an overview of the fantasy land with a map visitor's guide and Pratchett crossword puzzle

The Discworld Graphic Novels Terry Pratchett, 2009-10-06 In a distant and second hand set of dimensions in an astral plane that was never meant to fly Imagine a flat world sitting on the backs of four elephants who hurtle through space balanced on a giant turtle The Discworld is a place

and a time strikingly parallel to our own but also very different But also very similar To commemorate the twenty fifth anniversary of the birth of the Discworld the first two volumes of the remarkable Terry Pratchett s equally remarkable and phenomenally successful series were made available together right here in graphic novel form These beautifully illustrated renditions of *The Colour of Magic* and *The Light Fantastic* show and tell the bizarre misadventures of the spectacularly inept wizard Rincewind and Twoflower Discworld s very first and possibly portentously its very last tourist Not to mention the Luggage which has a mind of its own And teeth

The Colour of Magic and The Light Fantastic Terry Pratchett, 2009-10-13 A master of laugh out loud fiction Pratchett has created an alternate universe full of trolls dwarfs wizards and other fantasy elements and he uses that universe to reflect our own culture with entertaining and gloriously funny results Nothing short of magical Chicago Tribune In this first novel in the internationally bestselling Discworld series from legendary New York Times bestselling author Sir Terry Pratchett and the first in the Wizards collection the fate of the Discworld depends on the survival of a naive and first ever sightseer A writer of brilliant imagination favorably compared to Mark Twain Kurt Vonnegut and Douglas Adams Sir Terry Pratchett created a complex satirical universe with its own set of cultures and rules populated with wizards witches academics fairies policemen and other creatures both fantastical and remarkably ordinary including Death himself Welcome to the Discworld a parallel time and place that sounds very much like our own but looks completely different because it s a flat world sitting on the backs of four elephants who hurtle through space balanced on a giant turtle In this the maiden voyage through Terry Pratchett s ingeniously twisted alternate dimension the well meaning but spectacularly inept wizard Rincewind encounters something previously unknown in the Discworld a tourist Twoflower has arrived to take in the sights Unfortunately he s cast his lot with a most inappropriate tour guide a decision that could result in his becoming not only Discworld s first visitor but quite possibly its last And of course he s brought Luggage along a companion with feet and a mind of its own And teeth The Discworld novels can be read in any order but the Wizards collection includes *The Color of Magic* *The Light Fantastic* *Sourcery* *Eric* *Interesting Times* *The Last Continent* *Unseen Academicals*

The First Discworld Novels Terry Pratchett, 1999 This is how the Discworld began Here is the sapient pearwood Luggage a mobile trunk which launders any clothes put in it and incidentally homicidally defends its owner Here is Twoflower an innocent tourist in a world of nightmares and fairy tales gon
