Acharjee, 2011-02-16 About the Book The author was born and raised in an orthodox Hindu family Like most of us he was busy with his family career and day to day activities Then suddenly out of the blue in the ICU room of a modern hospital he

had a Code Blue experience when he unexpectedly departed this world for a period of three days This book and his earlier book Code Blue 99 are written per Gods instructions whom he met during the traumatic period of his life This is a miraculous true story and the author is a living testimony of what truly transpires after our physical death here on earth There should be no doubt for anyone that both the Heaven and the Hell exist in our after life The author has witnessed both of them Based on his afterlife experience he has found that it is very easy to enter into the Hell But it is extremely difficult to enter into the Heaven as he witnessed the one and the only narrow entrance door This book solidifies the Truth by unfolding the blindfolds of our life tells who we really are the real purpose of our life here on earth and what is expected of us in order to enter into the Heavenly Kingdom It is all based on the authors firsthand experience and personal encounter with the Divine Light It also details the two opposite worlds that exist both here on earth and beyond this life Finally it reiterates his face to face conversation with the Lord who sent him back to the earth to share His Instructions for everyone whether they be believers or non believers This book is a Must Read for everyone It uncovers The Light The Truth and The Waythe only Way
