Touching God Ellyn Sanna, 2002 Touching God is a gentle invitation to an experience of God that is immediate and intimate Drawing from both her own life and a range of sources author Ellyn Sanna shows how the lived symbol is often more truly felt than the theology behind it A profound awareness of this helps us counter a cold abstract image of God and make all of life sacramental

The Kingdom of God Riaan Engelbrecht, 2023-01-19 If we seek to find life we need to walk in the Kingdom of Life Believers are progressively becoming more wrapped up in church activity which is in essence mere captivity to religion Religion blinds us to the truth for it cages us in traditional and worldly ways Throughout the life of Jesus He only preached Kingdom Nothing else In the Lord's Prayer methods service modules and gender inequality have absolutely nothing to do with Kingdom Just so in Matthew 6 as Jesus taught about praying for the Kingdom to come He also included in His teaching verse 33 about seeking the Kingdom and His righteousness implying walking in His Ways then the rest will be added life hope joy and strength and spiritual prosperity We need to seek the Kingdom above all else but we can only walk in the manifested reality and glory of the Kingdom once we walk by Spirit implying surrendering first our kingdom laying down our crown and denying the Self If we seek His Kingdom then our kingdom our ways agendas ideas needs to die as well What we believe to be truth or the right way or the correct path needs to be surrendered as we seek the true way of the Lord which is the Way of the Kingdom Jesus said He is the Way Truth and Life meaning He is the WAY of the Kingdom and if we seek the Kingdom then we need to follow the Lord Jesus in Spirit and Truth If we seek His Kingdom we find His path is one of righteousness of love and peace but also of order of right and wrong and of purity
