legacy the myth of matriarchal origins These novelists are placed in relation not only to one another but also to Victorian archaeologists and especially to Jane Ellen Harrison 1850 1928 one of the first women to distinguish herself in the history of British Classical scholarship and whose anthropological approach to the study of early Greek art and religion both influenced and became transformed by the literature Rather than offering a teleological argument that moves lock step through the decades *The Lost Girls* proposes chapters that detail specific engagements with Demeter Persephone through which to register distinct literary cultural shifts in uses of the myth and new insights into the work of particular writers *Thomas Hardy, Time and Narrative* K. National Library Service for the Blind and Physically Handicapped, 1994 **The Publishers' Trade List Annual**, 1904 *Routledge Revivals: Arguing With The Past* (1989) Gillian Beer, 2018-04-17 First published in 1989 this book analyses fiction and long narrative drawing on a broad range of writing from earlier periods and on recent narrative theory Gillian Beer looks at the work of writers as diverse as Thomas Carlyle and Philip Sydney Samuel Richardson and George Eliot Three chapters on Virginia Woolf demonstrate how Woolf's reading of past literature philosophy and science gave her an intellectual and emotional purchase on problems of feminism and modernism Beer examines how writers create dialogues with past writing how readers of the present day engage with the difference of past literature and how we make contact with the desires and debates of past readers
